Chapter 2

Importance of Planning at Gram Panchayat Level

“Recall the face of the poorest and the weakest man (woman) whom you may have seen, and ask yourself, if the step you contemplate is going to be of any use to him (her). Will he (she) gain anything by it? Will it restore him (her) to a control over his (her) own life and destiny? In other words, will it lead to swaraj (freedom) for the hungry and spiritually starving millions?”

Box 6 : Beacon Panchayats in Sikkim

The concept of Beacon Panchayat envisages the transformation / development of the identified GPU into a model. This envisaged transformation is brought about through two pronged strategy- i) enhanced capacity of the elected Panchayat Representatives, concerned officials and functionaries for better service delivery and ii) increased participation of the people, village based NGOs, CBOs, youths etc. in local governance.

The capacity building component was carried out through a sustained campaign with the aim to bridge the perceived and actual performance gaps of the functionaries. It acted as a medium for dissemination of information and awareness to the people on various programmes being implemented by the state and central governments. The community members, especially the youth and the senior students, were mobilized to participate in the development programmes through proactive participation in Gram Sabhas and Youth Sabhas. The methodology adopted by State included targeted trainings, Mahila/Youth/Model Gram Sabhas, co-ordination workshops, awareness campaigns, exposure and field visits to sites of best practices, within and outside the state. The people, especially the youth were sensitized for mobilization of Gram Sabha, Mahila Sabha and Youth Sabha as well as various social campaigns, including campaign against substance abuse, waste management etc. Focused activities including Environment Generation activities; Mahila Sabhas; Sensitization and Mobilization of GP Standing Committees/Working Groups, SHGs, NGOs, CBOs, Youth and others; Coordination workshops; Identifying Champions including individuals, organizations, ERs, GPUs; Facilitation of Model Gram Sabha and IEC activities were carried out.

Outcome of the initiatives and activities

- Strengthened and participatory local governance
- Proactive role of Elective Representatives and Panchayati Raj functionaries in planning and implementation of various rural development schemes.
- Better participation of public in the planning process and Gram Sabha
- Planning as per the actual needs and demands of the public
- Women Empowerment with enhanced agency and expression of their needs and demands
- Greater involvement of youth
- Strengthened Gram Sabha, Mahila Sabha, Youth Sabha and Bal Sabha
- Enhanced coordination within GPU as well as with various Departments
- Recognition and Awards to individuals, organizations, ERs, GPUs and others

Integrated Decentralised Planning at Intermediate and District Level

7.1 Constitutional Provision for District Level Planning

Article 243ZD of the Constitution of India has the following provision:

“Committee for district planning.—

1) *There shall be constituted in every State at the district level a District Planning Committee to consolidate the plans prepared by the Panchayats and the Municipalities in the district and to prepare a draft development plan for the district as a whole.*

2) *The Legislature of a State may, by law, make provision with respect to-*

(a) the composition of the District Planning Committees;

(b) the manner in which the seats in such Committees shall be filled:

Provided that not less than four-fifths of the total number of members of such Committee shall be elected by, and from amongst, the elected members of the Panchayat at the district level and of the Municipalities in the district in proportion to the ratio between the population of the rural areas and of the urban areas in the district;

(c) the functions relating to district planning which may be assigned to such Committees;

(d) the manner in which the Chairpersons of such Committees shall be chosen.

3) *Every District Planning Committee shall, in preparing the draft development plan,- (a) have regard to-*

(i) matters of common interest between the Panchayats and the Municipalities including spatial planning, sharing of water and other physical and natural

resources, the integrated development of infrastructure and environmental conservation;

- (ii) the extent and type of available resources whether financial or otherwise;*
- (b) Consult such institutions and organisations as the Governor may, by order, specify.*
- (4) The Chairperson of every District Planning Committee shall forward the development plan, as recommended by such Committee, to the Government of the State.”*
