

# MODULE ON SABLA

Ministry of Women and Child Development pays tribute to **Shri Rajiv Gandhi** on the occasion of his birth anniversary by announcing

**Rajiv Gandhi Scheme for Empowerment of Adolescent Girls—'SABLA'**

The scheme will empower adolescent girls of 11-18 years by :

- Improving their nutritional and health status;
- Upgrading their home skills, life skills and vocational skills;
- Equipping them on health and hygiene, family welfare
- Main streaming out-of-school girls into formal / non-formal education

- To be implemented in 200 selected districts using the ICDS platform.
- To benefit nearly 100 lakh adolescent girls every year in all States/UTs.
- Allocation Rs 1,000 crore per year.

**EMPOWERED GIRL EMPOWERS INDIA**

## PERSONAL HYGIENE AND SANITATION

<b>Session</b>	Personnal Hygiene and Sanitation. (Mahni hriselna)
<b>Objective</b>	<b>Naupang te mahni hriselna ngaih pawimawh a ngaih zia hrilh hriatna.</b>
<b>Content</b>	<ul style="list-style-type: none"> <li>• <b>Mimal hriselna pawimawhna leh ṭangkaina.</b></li> <li>• <b>Mimal hriselna, tih tur, a chhan leh a tih dan tur.</b></li> <li>• <b>Environment Sanitation: A ṭulna leh a pawimawhna.</b></li> <li>• <b>Kawṭhalo enkawl dan.</b></li> </ul>
<b>Duration</b>	Darkar 1.
<b>Resources Person</b>	<b>Field Trainers (Mothers NGOs/Field NGOs) Master Trainers.</b>
<b>Training Method</b>	<b>Mimal Hygiene sawifiahna ‘flipcharts’ hmanga entir anih hnuah ORS chungchang sawihona leh a hman dan entir chhinna.</b>
<b>Learning Outcome</b>	<b>Hemi hnuah hi chuan hmeichhe naupang ṭhanglai te chuan mimal faina leh ‘sanitation’ te hrisel nana a pawimawhna dan an hrethiam tawh ang a, kawṭhalo enkawl dan pawh hemi hnuah hi chuan an hrethiam tawh dawn a ni.</b>

## Salient Points

- Naupang leh ʈhanglai chanve chuang te damlohma leh thihna te hi eitur, tui leh kut bawlhhlawh aṭanga natna hri darh avanga lo thleng ʈhin an ni.
- Hriselna tha nei tur chuan mahni faina leh kan chenna chhehvel enkawl fai a pawimawh.
- Natna tam tak, a bikin kawṭhalo ang chi phei hi chu hygiene ngaih pawimawhin dan theih a ni.

## Personnal Hygiene: Mimal hriselna

- Chaw eikham apiangin ngun taka ha nawh a, kam thuah ziah tur.
- Eitur siam dawn, eitur chhawp dawn leh ei hmain kut fai taka sil tur a ni a, naupang te hrai hmain kut kan sil fai ngei ngei tur a ni.
- Hmeichhe naupang ʈhanglai chu ni khatah vawikhat tal a inbual tur a ni a, thawmhnaw fai a inbel tur a ni.
- Hmeichhe naupang ʈhanglai chuan hrik a neih loh nan sam fai takin a enkawl tur a ni.
- Kan tin te kan tanin tawi leh fai takin kan enkawl reng tur a ni.
- Hmeichhe naupang ʈhanglai chuan thla tin thi an neih apiangin puan fai tak emaw ‘sanitary pad’ emaw an hmang ngei ngei tur a ni.

## Sanitation

- Natna hrik darh tur venna pawimawh ber pakhat chu mihring leh ran ek ngun taka thehthang bo a ni. Mihring ek te chu ekin fai takah pah leh tihbo tur a ni a, ramsa ek te chu mihring chenna in, kal kawng leh naupang infiamna hnaivaiah a awm tur a nilo.
- Inthiar nan Inthiarna fel fai tak hman tur a ni.
- Ekin leh inthiarna te chu ngun taka tihfai fo tur an ni a, ekin te chu chhin awm an ni tur a ni a, hman zawh hnuah tihfai leh tur a ni.
- Natna hri darh tur lak aṭanga inveng turin inthiar zawha kut sahbawna fai taka sil a ʈha a, ransa leh eitur hel khawih hnuah pawh kut fai taka sil fo tur a ni.
- Tui leh Sahbawna kut kan sil hian natna hrik eitura darh tur leh ka a lut palh tur a ven theih a, ekin chhung leh eitur hel dahna bulah sahbawn hman mai theih dah reng tur a ni.
- Ke lawnga kal loh tur. Naupang te hian pawnan chhuah dawnin pheikhawk an bun ʈhin tur a ni.

## Good Habits

- ❖ Zingah leh zan mut dawn apiangin ha nawh ziah tur.

- ❖ Nitin inbual fai a, thawmhnaw fai chauh hak tur.

- ❖ Kut tin tan a fai taka enkawl tur.

- ❖ Lu nguntaka suk ziah tur.

- ❖ Mit leh bengte tih fai ziah tur.

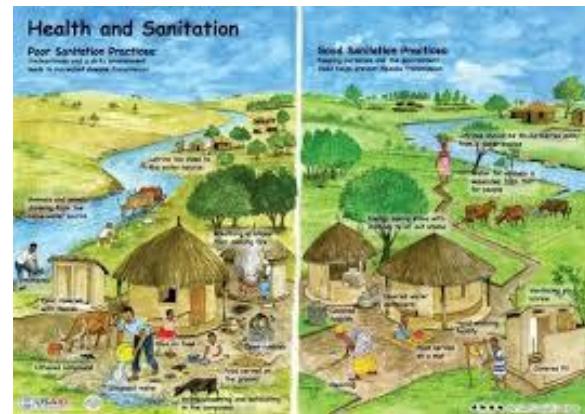

- ❖ Chaw ei hma, chaw eikham leh inthiar zawk a, sahbawn a kut sil fai tur.

## Environtment Sanitation (Chenna chhehvel tih thianghlim)

- Chenna inchhunga boruak a thianghlim theih nan theihtawpa hmalak tur a ni.
- Inchhunga kan bawlhhlawh leh hnawmhawnk te hi bawlhhlawh bawma dah hnuah a paihna tura siam khurah emaw a paihnu kutah emaw kan hlan ngei ngei tur a ni. Bawlhhlawh bawm te chu chhin ngei an ni tur a ni, a chhan pawh hrik leh Tho bakah Chukchu, Sazu leh Chaichim ten natna an thehdarh theih avangin. Eitur bang nawi leh thei kawr leh thlai hawng ah te hian natna hrik an darh theih avangin kan paihna kan chhin phui ngei ngei tur a ni.
- Kan inchhung kan vawnfai a, in bul hnai tihfai leh ek ang chi reng reng leh bawlhhlawh tihfai hian natna hrik darh tur a veng a ni. Inchhunga kan tui hman hnu bawlhhlawh te pawh choka bula khur leh ‘soak pit’ siama pahfai thin a tur a ni.
- Thosi an inthlah pun loh nan kan chenna in leh a chhehvela tui tling kan thianfai thin tur a ni.

## Chemicals and Pesticides

- Chemical zingah pawh pesticides, insecticides emaw fertilizer leh herbicides te hi kan eitur leh tui in tura tlem te pawh an tel palh chuan an hlauhawm hle tih kan hre tur a ni. Chemical ang chi reng reng kan khawih laia kan thawmhawn hak leh a dahna bawm te kan tihfaiin chenna in hnai takah kan tifai tur a nilo, hla takah kan tihfai thin tur a ni.
- Pesticides leh chemical ang chi reng reng chu kan chenna in hnaivai leh tui in tur hnaiah kan khawih tur a nilo. Chemical te chu tui in tur leh eitur dahna hnaiah kan dah tur a nilo.

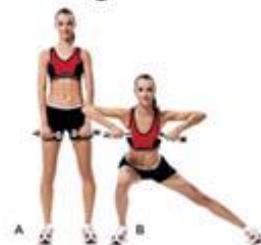

## **PHYSICAL EXERCISE**

## PHYSICAL EXERCISE

<b>SESSION</b>	Physical Exercise
<b>OBJECTIVE</b>	Naupang ʈhanglai te hriselna ṭha tak nei tura insawizawi zirtir, Meditation leh Yoga pawimawhna zirtir.
<b>CONTENT</b>	<ul style="list-style-type: none"> <li>• Physical Exercise pawimawhna leh ʈulna, harhvan pawimawhna.</li> <li>• Yoga, Meditation leh Physical Exercise kaltlanga rilru chhawk zangkhai pawimawhna.</li> <li>• Yoga leh Meditation tih dan zir dan.</li> <li>• Nitina kan nuna Yoga leh meditation hman ṭangkai dan.</li> </ul>
<b>DURATION</b>	Darkar 1
<b>RESOURCES PERSON</b>	Field trainers/Physical Exercise, Yoga leh Meditation bika in zir chhuak tawh Yoga Specialist te.
<b>TRAINING METHOD</b>	A taka exercise tih dan tur in zirtirna leh in entir na
<b>LEARNING OUTCOME</b>	Hemi hnuah hi chuan naupang te chuan Exercise, Yoga leh Meditation an nuna a pawimawh dan an hrethiam tawh ang a, Yoga leh Meditation tih dan tur engemaw chen an hre tawh dawn a ni

## Salient Points

- Physical Exercise hi taksa pumpui ti harhvangtu leh ti hrilseltu insawizawina ang zawng zawng te hi an ni. Tihrawl tih chak nan te, ‘cardiovascular system’ siam ɏhat nan te, infiamna a dinhmun sang zawk chan theih nan leh taksa rit lutuk tih zan nan leh rit tawk chauh a insiam nan bakah a nawm vang hrim hrimin mi tam takin Physical Exercise te hi an ti ɏhin a ni.
- Hriselna ɏha nei tur chuan mumal taka taksa tiche a insawizawi hi tih ɏul makmawh a ni a, naupang te hi taksa tiche zawnga an chet fo loh chuan damloh an awlsam bik a ni.
- Tunlaia natna lar Zunthlum leh lung lam ɏhalo kan tih te hi zan khat thil thua awm an nilo a, kan nunphung thalo avanga rawn awm an ni.
- World Health Organisation in an chhut dan chuan taksa sawizawina aṭang hian cancer chi ɏthenkhat, (eg. Colon leh Breast cancer) Type II diabetes, stroke Osteoporosis, low back pain, stress, depression leh obesity te hi kan ti tlemin thui tak kan veng thei a ni.
- Naupang zingah hian ‘heart attack’ leh ‘stroke’ hi a thleng tamlo a, mahse hetiang natna lo awm tur hian naupan lai aṭangin a lo insiam ɏtan tawh tih hriat a ni. Naupang harh lo tak te chu naupang harh zawk te nena tehkhin chuan an rit zawk hle tih hmuhchhuah a ni a, an ‘blood pressure’ a sang zawk a, an lung vengtu ‘Cholesterol’ ɏha chi ang pawh kha a tlem zawk daih tih hmuhchhuah a ni.
- Naupang ɏhanglai te hi nitin darkar khat tal pawnah vak chhuakin harhvang takin awm se duh dan a ni a, duh dan chuan nitin hetiang hian che ɏhin se a tha khawp mai.
- Infiamna leh taksa tiche zawnga khawsak leh chetna reng reng hi naupang te tana ɏul leh an tih makmawh a ni.
- Ke a chak taka kal, ball pet, hrui zuan leh infiamna ang chi reng reng te hi exercise ang veka ngaih an ni.
- Ke a school a kal leh dawrpuia kal bakah mahni in lama chet ngai tam taka chet hi naupang ɏhanglai hriselna atana ɏangkai tak an ni.
- Naupang ɏhanglai harhvang tak te hi an in zo a, thahru an nei a, an ruhrel a rinawm a, an ‘blood pressure’ a tawk chauha awmin an rilrua an vei leh in ngaihtuah hahna a bo a, mahni inrin tawkna nasa leh zual an nei ɏhin a ni.

## Physical Exercise

- Hunbi nei leh a tam thei ang bera insawizawi hian kan taksa a natna dotu “Immune system” a ti chak a, nunphung hman dikloh avanga natna awm thin lung ɏhalo, cardiovascular disease, type 2 diabetes leh Obesity lakah min veng thei a ni.
- Insawizawi hian hriselna a ti ɏha a, depression awm tur a veng a, mahse inrin tawkna a siam bakah kan lan dan pawh thui takin a ti mawi thei a ni.
- Hmeichhe naupang ɏhanglai tan infiamna hian an pawl thawhhona leh pawl siam ɏhatna atan a ɏangkai a ni.
- Insawizawina mawlmang te ke a kal leh cycle a chuan te hi mitin tana ɏangkai leh tih fo chi an ni.

## Types of Exercise

**EXERCISE** kan tih te hi mihring taksa a an thawh dan a zirin chi thuma then an ni deuh ber a:

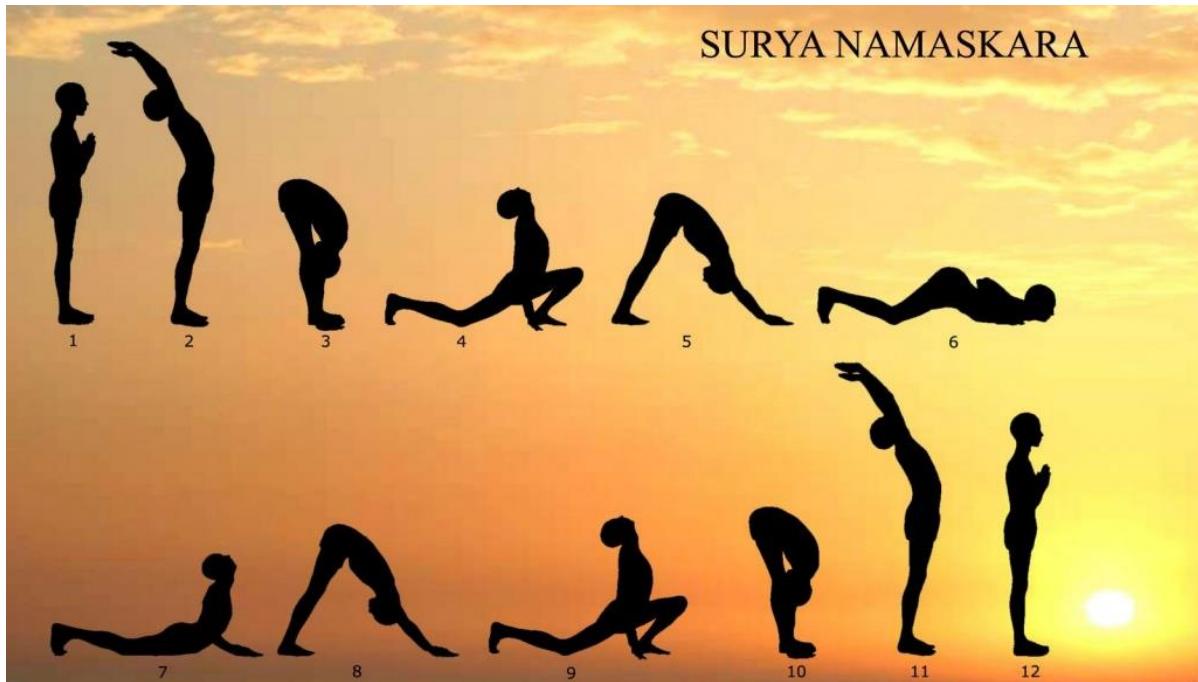

- **Flexibility Exercise** Taksa ti mar zawnga insawizawina ang chi “Stretching” hi tihrawl leh ruh inchuktuahna atan an ḥangkai hle.
- **Aerobic Exercise** Thirsakawr chuan, tuihleuh, ke a kal, lawng kar, tlan leh hiking bakah tennis khelh te hi thin leh chuap tan an ḥa hle a ni.
- **Anaerobic Exercise** Rit chawi, functional training leh chak taka tlan te hian tihrawl an ti chak bawk.

## YOGA

**YOGA** hi Theapeutic an ti bawk a, Yoga aṭāṅga natna thenkhat chhawk leh tihdam hial theiha an sawi te chu acidity, allergies, alzheimer disease, anaemia, anger, anxiety, arthritis, ashtma, back pain, bronchitis, cancer, chronic fatigue, colitis, common cold, constipation, depression, diabetes, epilepsy, eye problem, facial wrinkles, gastro intestinal disorder, headaches, heartburn, hepatitis, high blood pressure, hypertension, immune-deficiency, impotence, menopause, menstrual cramps, migraine, nervous, tension, obesity, osteoporosis, skin problem, slipped disk, sterility, stiffness, stress, insomnia leh thyroid te an ni.

## Type of Yoga Poses:

- **Seated Poses** – Heihi thawkna lam nghawng, insawizawina ṭangkai tak mai a ni a, intih hahdam nan leh ‘meditation’ atan pawh a ṭangkai hle a, Poses dang te tih hma a in tih lum nan leh a hmahruaiah an hmang fo ṭhin a, Seated Poses hi kan taksa awmdan leh kawngbawr siam ṭhat nan a ṭangkai hle a ni.
- **Standing Poses** – He post pawh hi posese dang te tih hma in ‘warm up’ nan a hman a ni fo ṭhin a, ke a ti chakin kawngbar a siamṭha a, taksa inbuk tawkna siamtu pawimawh tak a ni.
- **Inversion** – Hetiang Poses hi thisen kal siamṭhatna tha tak a ni a, rilru a ti hahdam a, hriselna a siamṭha bawk a, hei bakah hian upat harna nia ngaih a ni a, taksa inzo lo leh rit te tan a ṭangkai hle.
- **Relaxion and Restoration Poses** – Yoga a insawizawi tawpah muangchanga intih hahdam tur a ni a, hemi hmang hian taksa leh rilru hahdam taka awm tir tum tur a ni a, insawizawina aṭanga thahrui kan tih chhuah “Energy” kha hemi hmang hian taksa pumpui kan fan chhuah tir tur a ni.

- **Counter Poses** – He yoga insawizawina hi a hma a pose kir san a Hnungzang ruh pawt mar zawnga insawizawina leh zangruh a pangngai a awm tir leh dan kha a ni.
- **Twist** – Hnung leh pum tihrawl tih chak nana insawizawina tha tak a ni a, hnungzang ruh chetphung a ti zangkhai a, thisen kal a ti tha bawk. Taksa han her vel na aṭang khan thisen tharlam thaah a insem darh ṭhin avangin kawchhunga taksa bung hrang tin te tan a ṭangkai hle.
- **Balancing Poses** – Heihi taksa inbuk tawk taka awm theih nana min ṭanpuitu tha tak a ni a, taksa nghet leh inbuk tawk taka a awm khan ngaihtuahna a ding a, rilru pawh a fim tha duh a ni.

- **Forward Bends** – Hemi pose hi hnung tluan tih mar na leh kaihza tha pawh mar nan a tha hle a, taksa hah tipreh nan leh ‘nervous system’ tih hahdam nan bakah rilru tih hahdam nan an hmang thin bawk a, ‘back bend’ ang deuh bawk khan heihi hnungzangruh tih zangkhai nan leh tih chak nan a tangkai hle.
- **Back Bends** – Yoga ah chuan he pose hi harsa leh khirh ber a ni awm e. Hnungzang leh zangruh a ti chakin a ti zangkhai a, ‘back bend’ hi taksa hmalam enkawl nan an hmang bawk thin a, a bikin awm bawr tih chak nan a tangkai hle.
- Mi tam tak chuan Yoga kaltlanga hriselna an neih dan an sawi thin a, Yoga kaltlang hian a intih danglam theih hle a, session khatah ringawt pawh naupang thanglai te chuan thawk dan leh ‘Meditation’ leh ‘Chanting’ an zirin an ti thei a, Yoga hi hahdamna tha tak anih bakah a hlimawm a, a ti tir te tan phei chuan chona duhawm tak a tling ani.
- Meditation hi rilru lam insawizawina a ni a, naupang thanglai chuan rilru a ngaihtuahna sawrbingin hahdamna leh hriatna thuk zawk a nei thei a ni.
- Meditation a in enkawl dan leh in zirtir dan hrang hrang hnuiah hian ‘spiritual’ leh ‘psychophysical’ dan phung hrang awmin hengte hian hriatna fiah zawk, ngaihtuahna fim zawk leh mahni in hriat chianna bakah rilru hahdam zawka in awm tir dan kawng chi hrang hrang a rawn hring chhuak thei a ni.

## Activity I – Practicing Yoga

### ***Instruction for Trainers***

A hmasa berin naupang chu Yoga pawimawhna tlanglawn zual zinga insawizawina leh ‘Breathing pattern’ zawm dan tur an hrilh hmasa tur ani

- Asana insawizawina tin hian mahni taksa, ngaihtuahna dinhmun leh kan chhehvel min hriatchian tir leh zual a, Yoga exercise kan tih tirh atang khan ‘poses’ chi hrang hranga nuam kan tih zan thlenga tiin in warm up phawt a ngai ani.
- Yoga exercise tih lai reng rengin taksa ah na emaw dik hlel engemaw a awm tur a nilo.

## Yogic Exercise and Breathing

- Breathing (Thaw lak) hi Yoga insawizawinaah chuan a tel ngei ngei a, ‘pose’ tih laiin thaw ip tur a nilo.
- Insawizawi laiin hah tako thaw lak loh tur a ni a, insawizawi laia nasa tako thaw la chu a ti tu a hah tihna a ni a, a pose a thlak tur a ni.
- Yoga insawizawi tan reng rengin tupawhin vawithum thaw hip kawk kawkin an ti thei tur a ni a, he pose ah hian nuam an tilo anih chuan a aia rei thaw han la leh se, a la nuamlo fo anih chuan a pose chu a bansan vat tur a ni.

## Activity II – Meditation

A hmasa berin naupang chu hahdam taka ຖុ тura tiin muangchanga thaw la turin ti phawt rawh.

Chumi hnuah chuan hetianga ti tur hian hrilh ang che -

- Boruak hip luh vaka thawk chhuak leh kawk kawk tur. Boruak hip lai khan an pum an sang chhuak ang a, an thawk chhuah laiin an ip te thung tur a ni. An thawk lai khan an dar zawi takin an dah tur a ni.
- A mit a chhing tur a ni.
- Tunah i hmun nuam tihna deuha awm angin i inngai tur a ni. Tlang emaw, park emaw, dil bulah emaw enghmun pawh nise a pawilo. I awmna a thil rawng te kha hmuh tum la, thil ri awm te chu hriat tumin tuifawn leh sava hram ri te pawh hriat tum ang che.
- I awmna rawng i hmua a riva i hre thei anih chuan hahdam takin i awm tihna a ni a, i lu leh dar vela hahna awm te khan i ke kaltlangin i ke aṭangin a chhuahsan ang che nga, i taksa chu hahdam takin a awm dawn a ni.
- Tunah 50 aṭanga 30 thleng a let zawngin chhiar ang che.
- I nuna i thil tawn zawng zawngah lawmthu sawi ang che.
- Tunah 30 aṭangin 10 a let zawngin chhiar leh ang che.
- Nitin chona a ṭha zawnga hmachhawn tur leh a tawp thleng turin remna leh thlamuanna bakah chakna duhna rilru pu ang che.
- Tunah 10 aṭang khan a let zawngin 1 thleng chhiar leh ang che.
- I mit meng la zir mar tawh rawh le.

## **FIRST AID**

## FIRST AID

<b>SESSION</b>	Physical Exercise
<b>OBJECTIVE</b>	Naupang thanglai te a tul huna First Aid pek dan zirtir (Khawi hmunah pawh First Aid pek ngai an awm chuan)
<b>CONTENT</b>	<ul style="list-style-type: none"> <li>• Eng nge First Aid?</li> <li>• First Aid Box-ah engte nge awm, eng tia hman tur nge?</li> </ul>
<b>DURATION</b>	Darkar 2
<b>RESOURCES PERSON</b>	Field trainers MNGOs/FNGOs (First Aid chung chang hria leh thiamte)
<b>TRAINING METHOD</b>	Zirtirna leh sawiho a, ataka entirna siam tur.
<b>LEARNING OUTCOME</b>	Naupang thanglaite chuan rikrum thilah emaw First Aid hmanna turah thiam takin a hmang thei ang.

## Salient Points

- First Aid hi hliam tawk leh damlo enkawlna hmasa ber a ni.
- Damlo leh hliam damdawi lam thiamna nei lovin mithiam zawk te an lo thlen hma a an lo enkawl lailawkna ang hi a ni.
- Inhliamna langsar ber te chu lirthei chetsualna, tui tla, kang leh hmun sang atanga tla te an ni.
- Inhliamna tam tam tak te hi nu leh pa an fimkhur a, an chhehvel an chik chuan ven theih an ni.
- Naupang leh ṭhanglai te chu mei, stove leh khawnvar hnaiha an awmloh nan kan veng tur a ni.
- Naupang leh ṭhanglai te khawih phakah chemte, bakcheh leh thil hriam te kan dah tur a nilo.
- Thil hmawma hak palh mai theih naupang khawih phakah kan dah tur a nilo.
- Poisons, Chemical, leh pesticides, damdawi, bleach, acid leh fuel tui chi reng reng chu kan dahna hriat mai theih turin kan chinchhiah ngei ngei tur a ni.
- Naupang te an chetsual lohna turin an infiamna hmun a him tur a ni.
- Kawng kan laiin naupang chu puitlingin a hruai tur a ni.
- Medical emergency leh accident angah rang takin fire station leh medical lam thiam te an number ah koh nghal tur an ni.

## Burns (Kang Enkawl Dan)

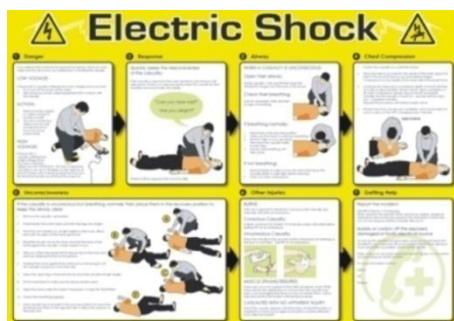

- Mi kawr hak lai a kang thath anih chuan rang takin chu pa chu puan chhah takin tuam nghal ang che.
- Taksa kang lai tih daih nan tui thiaghlim leh vawt tha tam tak hmang nghal ang che.
- Kang laiah chuan a enkawlna damdawi a awm chuan hnawih nghal ang che.
- A durh anih chuan kang tawk chu Health Centre hnai berah hruai ang che.
- Kang tuar chu tui lam chi, Juices leh tui, chini tlem pawlh tam tak in tir ang che.

## Electric Shock (Electric Man Enkawl Dan)

- Electrical hmanrua, electric hrui, plugs leh a points lai te hi fimkhur taka hman tur an ni.
- Electric man an awm chuan a man chu khawih nghal lovin a switch ah off hmasa ang che.
- Electric man chu a awm hle hle theilo emaw nikhua a hrelo emaw anih chuan doctor emaw, Health Centre hnai berah tlan pui nghal ang che.

## Road Accidents (Lirtheia Chesual Enkawl Dan)

- Kawng dunga kalin lirthei tlan hmachawn zawnga kal tur a ni.
- Kawng kan laiin mihring kalna tura siam chauh hman tur a ni.
- Kawng bulah infiam suh.
- Tawhsual tawk an awm a, a hliamna lai chu a lu emaw a hnungzangah emaw anih chuan a lu leh a ngawng ti che suh ang che.
- Hliam tawk chuan na a ti hle anih chuan a ruh a tliak a ni maithei a, a hliam lai chu tiche lovin damdawi thiam te ko nghal ang che.
- An taksa a pilh a, a auh emaw anih chuan a na lai chu tui vawtah chiah nghal ang che.
- Hliam chuan nikhua a hrelo anih chuan Health Centre hnai ber panpui nghal ang che.

## Drowning (Tui Tla Enkawl Dan)

- Tui tla mai tur i hmuh chuan hnuk chhuak nghal ang che.
- A ka leh a hnar chu chirh leh bawlhhawhin a hnawh anih chuan puanfaein hrruk fai sak nghal ang che.
- Tui tla chu mut tir la, a pumah nem ang che, chumi hnuah bawh tir la, a hnungsah tui ti chhuak turin nem leh ang che.
- Tui tla chu thaw mahse nikhua a hriat loh chuan a leiin a ka a hnawh loh nan saisirin mut tir tur a ni.
- Thawk harsa a tih chuan a zangthalin lu dak deuhin muttir la, a hnar hmet chip la a ka ah ham ang che, a awm bawr insep kang hial khawpin ham la, vawithum i chhiar hnuah chutiang chuan ham leh la, a pangngaya a thawk hma chuan ti ang che.
- First aid i pek zawh hnuah Health centre hnai berah hruai nghal ang che.

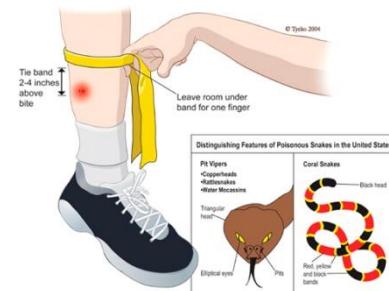

## Poisoning (Tur Ei Enkawl Dan)

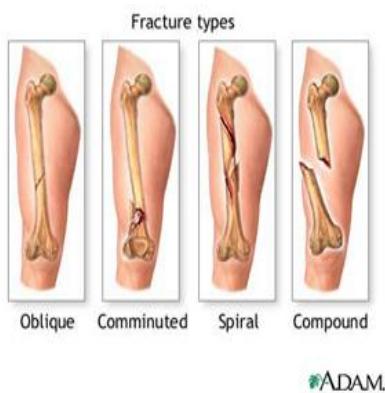

- Miin tur a ei anih chuan tih luak tum nghal ringawt suh, atan thil pawi zawk a thlen theih avangin.
- Tur chu chu pa kawr leh vunah a kai anih chuan a kawr chu hlip la, a taksa a tur awmna lai chu tuiin leih nghal ang che.
- A vun chu sahbawnin ngun takin vawi engemawzat sil ang che.
- Mi in a mita tur a ti lut palh anih chuan a mit chu minute 10 vel chhung tui thienghlima tleuhin sil ang che.
- Chumi hnuah Health centre emaw damdawiin emaw panpui nghal la, a tur hman sample awmna bur pawh keng tel ang che.

## Snake Bite (Rul Chuk Enkawl Dan)

- Rul chukah chuan mi chuktu Rul chu um buai duh suh.
- Rul chukna chungah chuan puanin ng het takin tawn khah la, a chukna laiah chuan zai kakin a tur ti chuak turin a thisen sawr chhuak ang che.
- Rul chuk chu muthilh tir loh tur.
- Rul lam tir thin te, Ojhas leh ramhmul damdawi hmanga tidam thei te pan buai lovin Health Centre panpui nghal ang che.

## Bruises and Broken Bones (Inhliam leh Ruh ti Tliak Enkawl Dan)

- Hnungzang ruh a chet loh nan a lu leh a hnung chelo thei ang berin awm tir tur.
- Ke leh ban awmdan diklo tak a a awm anih chuan a ruh a auh a ni maihei a, chutiangah chuan a kut leh ke chu Them emaw thing tlawn hmangin emaw che sawn theilo turin tawn belhbawm ang che.
- A hliam lai chu tiche lo la, rang takin damdawi thiam ko nghal ang che.

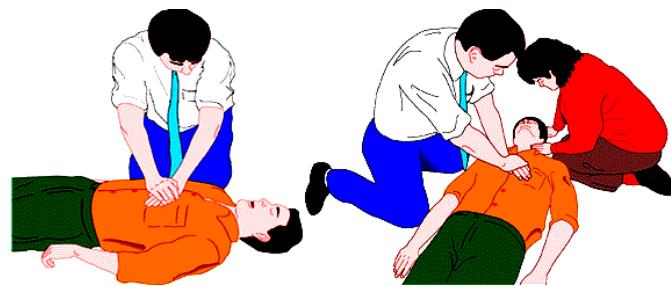

## Cuts/ Wound (Inzai leh Invit Palh Enkawl)

- A kak leh hliam lai chu tui leh 'antiseptic' a silfai nghal tur a ni.
- Hliam bul vel chu hruk hul tur a ni.
- Antiseptic hnawih hnuah a hliam lai chu puan fai tak emaw bandage emawa tuam tur a ni.
- Taksa kak leh hetianga hliam reng reng chu damdawi thiam ten tha an tih chuan 'tetanus toxoid' a chiu nghal tur an ni.
- Hliam tawk chu a thisen a chhuak nasa hle anih chuan a hliam lai chu a awm chunglamah chawi kang la, a thisen chhuak a tawp hma chuan hmet ang che.
- Hliam tawk chu Health Centre rang takin panpui tur a ni.

## Choking (Thil Hak Enkawl Dan)

- Infiamna hmun leh muthmunah kawrkilh, beads, pawisa nawi, thlai chi leh theirah hnutchhiat mai mai loh tur.
- Tuin emaw thil engemaw a hak palh anih chuan khuh chhuah tir tum phawt la, a ti chhuak theilo anih chuan ti chhuak turin i theih angin ṭanpui nghal ang che.
- Nausen leh naupang in thil an hak anih chuan a ngawng leh a lua dawmin kun tir la, a hnungah beng la, a thil hak chu a la chhuak theilo anih chuan Health centre hnai ber panpui nghal ang che.

## Supplies Required in a First Aid Kit (First Aid tih nana Thil tul te)

## Class Activities

### Activity I – Tying Bandages

## SAFE DRINKING WATER: TUI IN TUR THIANGHLIM

### Salient Points:-

- Tui hi kan nunna atana pawimawh a ni a, eitur neilovin ni engemaw chen chu kan nung thei a, mahse tui tello chuan rei kan khawsa theilo a, kan taksa za a 60 hi tui a ni.
- India ah hian mi za a 42 chauhin tui thianglim in tur an hmu pha a, kum tin mi maktaduai 1.8 chu kawthaloh leh tui hri avang tein an thi thin a, tam tak chu tui bawlhhlawh a natna hri avanga damlovin heng zingah hian kawlthaloh hri, mitliam leh ‘typhoid’ te pawh a tel a, heng natna lakah hian awlsam tein a inven theih a ni.
- Tui thianglim chauh kan in tur a ni. Tui in tur chu bawlhhlawh tinreng lakah a thianglim tur a ni. Tui in tur leh eisiamna tur chu tui chhunchhuah thuk tak leh tlangsanga tuihna aṭanga lak an ni tur a ni.

### Uses of Water (Tui Hmanna Te)

- In atan.
- Inbualfai nan.
- Insuk nan.
- Eisiam nan.
- Irrigation atan.

### Purification of Water (Tui Tih Thianglim)

- Tui chu ‘bacteria’, ‘parasites’ leh ‘virus’ laka fihlim leh thianglim a ni tur a ni.
- Mahni inah pawh awlsam tein hmanraw changkang ngailovin tui kan ti thianglim thei a ni.
- Tuia bawlhhlawh tam zawk te hi thlitfim theih vek an ni.
- Tui chhuanso hian natna tlentu rannung te a tihhluum vek thei a ni.

Tui tih thianglim dan awlsam deuh pahnih chu **Tui chhuanso leh thlitfim** a ni.

- A hnuiai kan rawn tarlan ang hian awlsam tein tui chhuanso leh thlitfim dan chu a tih mai theih a ni.
- ‘Bleaching powder’ hmangin ‘chlorination’ a tih theih bawk a, tui dahthat rei deuh tawh pawh ‘Chlorine tablets’ a tih thianglim mai theih a ni.
- Chlorine tablet 1(0.5gram) hi tui litre 20 sawngbawl nan a tawk hle a, tui litre 20 chu a dahna fai tak chhungah tui thianglim hmanga i thlitfim hnuah dah lut la.
- Chlorine tablet 1 thlak la, seconds reilote chawk la, darkar chanve vel nghah leh hnuah a in mai theih tawh a ni.

## Storage of Water (Tui Dahthat Dan)

- Tui tih thianghlim tawh chu a dahna a Ბat loh chuan a bawlhhlawh leh mai theih Ბin avangin a dahna ah fimkhur hle tur a ni.
- Hriat atana Ბha chu tui kan dahna chu a chhin phui Ბha tak a ni tur a ni a, kan tui dahna chu chhin neilo anih chuan puan fai takin kan khuhin a chungah thlengin kan delh hnau leh mai tur a ni.

## Handling

- Tui tih thianghlim tawh sa chu fimkhur taka sawngbawl tur a ni a, tui chu kuta khawih loh tur a ni a, tui kan tih bawlhhlawh loh nan a suah chhuah nan pawh no beng sei deuh nei hman a Ბha hle.
- Tui dahna chu a bawlhhlawh loh nan kan silfai fo tur a ni.

**(Tuna kan sawi te kha i zawm chuan tui thianghlimlo atanga natna hri darh thin te lakah chuan i him ngei ngei ang)**

## DIARRHOEA MANAGEMENT (KAWTHALO ENKAWL DAN)

### Salient Points

Natna tam tak zinga kawthalo kan tih hi mihring eka natna hrikin an thlen thin a ni a, chutiang hrik chu kan tui in tur leh chaw eitura an lo kai leh kan eitur siamna leh a suah chhuahna ah te an lo kai khan khawthalo a rawn thlen thin a ni.

### Diarrhoea (Kawthalo)

- Ek mumal lo leh tui taka kan ek chhuah hian kawthalo kan ti thin.
- Kawthalo hian taksa a tui tlakchhamna thlenin heihi a hlauhawm hle.
- Kawthalo hi natna ani mai lo a, natna dang inkhuar tawh entir tu a ni thei.
- Kawthalo a ek hnu lawkah a hma a pum na kha a zia deuh thei a.
- Naupang te hi puitling aiin an tui mamawhna phuhruk vat loh phei chuan kawthalo avangin an thi hma zawk a ni.
- Kawthalo hi naupang te taksa a eichhiatna avanga tlakchhiatna bul intanna a ni thin.

### Cause of Diarrhoea (Kawthalo Lo Awm Chhan)

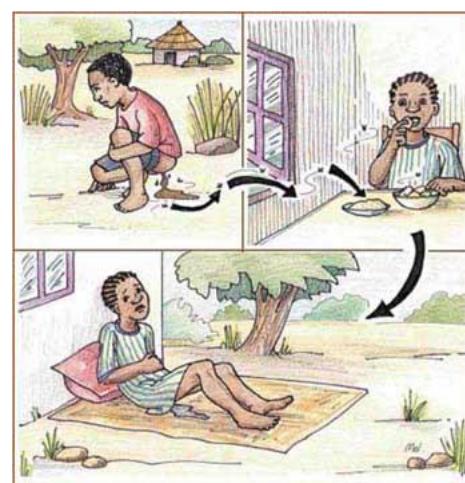

- Bacteria/Viral Infection: Eitur thianghlimlo leh tui kaltlang a kan taksa chhunga bacteria/ Virus thenkhat lut thin te chu kawthalo lo intanna an ni.
- Eitur hlui tawh ei leh khawsak dan thianghlimlo avangin kawthalo a awm thei bawk.
- Kawthalo hi ‘parasites infection’ atangin a awm thin bawk.
- Food intolerance - Mi thenkhat zingah eitur chi thenkhat pai tawih theilo an awm thin a, an pai theihloh zingah chuan bawngnute a lactose leh sugar te pawh telin hei hian kawthalo a thlen thin a ni.

### Home Treatment for Diarrhoea (In Lama Kawthalo Enkawl Dan)

- Mahni ina thil tuiril lam ei tam.
- Oral Dehydration Solution (ORS)
- Continued feeding
- Continued breastfeeding.

### What is ORS? (Engnge ORS chu?)

ORS (Oral Rehydration Salts) hi chi ro leh tui thianghlim chawhpawlh atanga siam a ni a, kawthalo avanga taksa atanga tui chhuak nasa luahlan tua hman thin a ni.

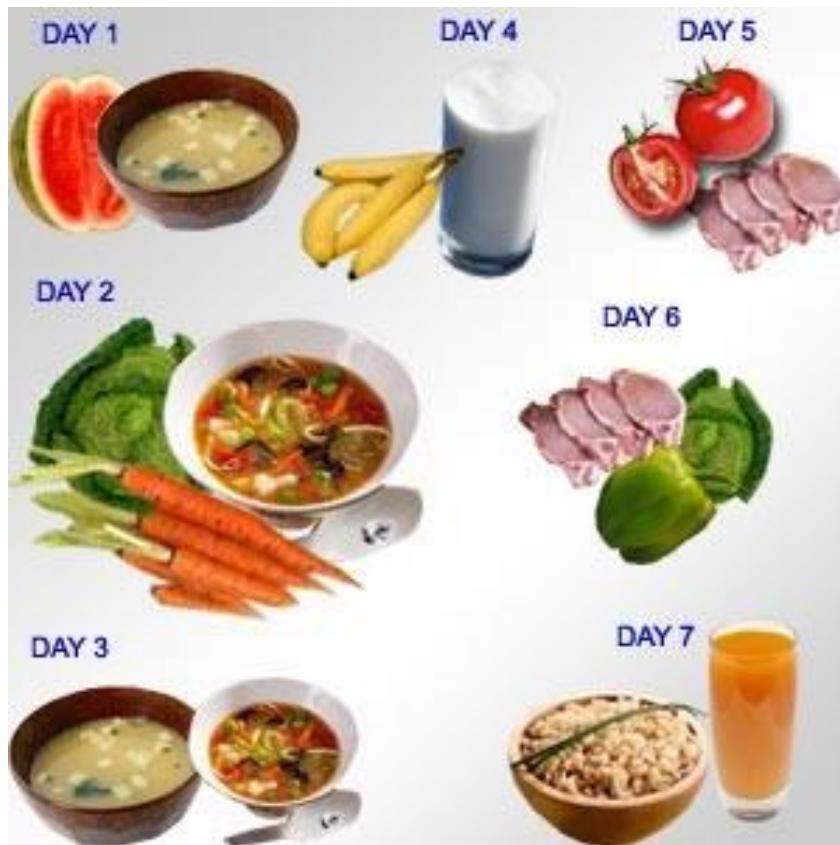

## How is ORS prepared? (Engtia Siam tur nge?)

1. ORS chun no thianglim takah dah la, ORS bawma a hman dan tur an ziah chu en hmasa la, a tawk chauhin tui pawlh la, tui pawlh tlem lutuk chuan kawthaloo a tizual thei zawk a ni.
2. Tui chauh pawlh ang che. ORS chu bawngnute nen pawlh loh tur a ni a, soup, thei tui emaw soft drinks eng chi mah pawlh loh tur a ni.
3. Ngun takin chawk phawt la, no fai tak atangin naupang kawthaloo chu in tir la, um hmang suh ang che.

# **NUTRITION**

## BASICS OF NUTRITION

### Salient Points

#### Why do we need food? (Engvanga eitur mamawh nge kan nih?)

- Eitur awm lovin nunna a awm theilo.
- Eitur hi mihring than chhohna kawnga taksa in siamna leh rilru lam puitlinna kawnga pawimawh ber a ni a, chuvangin nau piang hlim, naupang thanglai, nau pai lai leh nau pai rual te bakah upa lam te tan pawh a pawimawh vek a ni.
- Naupang hriselna tur chuan eitur in buk tawk a pawimawhin thil ṭul makmawh a ni.

### Functions of Food

#### *Physiological Functions (Taksa in a Mamawh Chhan)*

- Chakna "Energy" min pe tu a ni.
- Taksa thanna leh taksa bung hrang te insiam nana engkima pawimawh a ni.
- Natna laka min vengtu pawimawh tak a ni.

### ***Psychological Functions (Rilru Lam a Nghawng Dan)***

- Ngaihtuahna leh rilru a kan mamawh nia kan hriat puitlintu a ni.
- Ngaihthatna min siamsak tu a ni.

### ***Social Functions (Khawtlang a Nghawng Tel Dan)***

- Mi chi hrang hrang hui khawmtu niin ngaihdan leh thil tha tih inhrilh tawnna siamtu tha tak a ni.

### **Balanced Diet (Eitur Inbuk Tawk)**

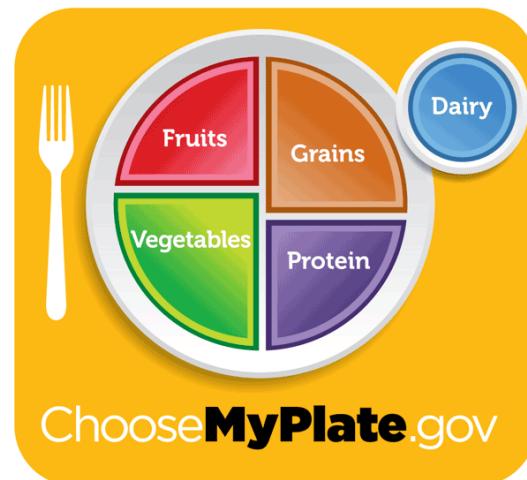

Balance diet kan tih hi taksa ṭhang mek in than leh hmasawn zel nana a mamawh thahrui pe chhuak thei tur nitina protein, mineral leh vitamin te inpawlh tawk taka kan dawn ṭhin hi a ni.

A hnuaia mite hi kan taksa in than zel nana a mamawh te chu an ni:-

- Carbohydrates (Thahrui siamtu)
- Proteins (Taksa siamtu)'
- Fats (Thahrui siamtu leh vitamin ṭhenkhat taksain a lo dawnna kawnga ṭanpuitu)
- Vitamins (Min vengtu)
- Minerals (Min vengtu)
- Tui.

### **Food Groups**

1. Cereal leh Millets
2. Pulses leh Legumes
3. Vegetables (Thlai hnahn hring, thlai bul nei leh tubers leh thlai dang te)
4. Thei
5. Bawngnute leh bawngnute aṭanga thil siamte.
6. Sa, Sangha & Poultry
7. Chini leh Jaggary (Gur)
8. Fats leh Oils
9. Nuts leh Oilseeds.

## Sources and Functions of Essential Nutrients

Nutrients	Sources (A awmna te)	Functions (Tangkaina te)
<b>1. Carbohydrates</b>	<ul style="list-style-type: none"> <li>Cereals, Millets, Tubers, (Patotoes, Sweet patotoes Yam, Topica, Colacasi(Arbi) Sugar, jaggery (Gur)</li> </ul>	<ul style="list-style-type: none"> <li>Taksa a thahru siamtu a ni.</li> </ul>
<b>2. Proteins</b>	<ul style="list-style-type: none"> <li>Pulses, Legumes, Bawngnute, cheese, curds, nuts, oilseeds, sa, sa thin, sangha leh artui.</li> </ul>	<ul style="list-style-type: none"> <li>Taksa a siamthain tihrawl bakah thisen siamtu ber pakhat ani a, Chaw pai tawhna kawngah a ṭangkai a, natna hri do letna kawngah a pawimawh hle.</li> </ul>
<b>3. Fats</b>	<ul style="list-style-type: none"> <li>Butter, Ghee, vegetable oils, leh thaw, oilseeds, nuts leh Soya bean.</li> </ul>	<ul style="list-style-type: none"> <li>Thahru siamtu pawimawh tak anih bakah vitamin thenkhat taksa in a hman theih tura siamtu leh fatty acids siamtu pawimawh tak a ni.</li> </ul>
<b>4. Vitamins and minerals</b>	<ul style="list-style-type: none"> <li>Thlai hnah hring leh eng chi. (Entir nan Spinach, carrots, cabbage, Mai) Thlai tharlam, thei hring leh thei rawng eng chi, bawngnute leh bawngnute atanga siam lam chi bakah fortified foods.</li> </ul>	<ul style="list-style-type: none"> <li>Taksa ti hriseltu pawimawh tak a ni.</li> </ul>

## Importance of Vitamins and Minerals

Nutrients	Sources (A awmna te)	Functions (Tangkaina te)
Vitamin A	<ul style="list-style-type: none"> <li>Thlai hnah hring duk chi (Entirnan, Spinach, Mint, Radish hnah, drumstick hnah, curry hnah leh Coriander) thlai rawng eng chi, mai, Theihai hmin, Thingfanghma, leh carrot.</li> <li>Bawhnute, bawnghnute aṭanga siam, butter leh Ghee</li> </ul>	<ul style="list-style-type: none"> <li>Eichhiat vanga mitdel tur a veng,</li> <li>Taksa a natna dotu a ti chak a, pem leh hliam pun tur a veng bawk.</li> </ul>
Vitamin B Complex	<ul style="list-style-type: none"> <li>Cereals, pulses, legumes, thlai hnah hring, artui, bawnghnute, leh bawnghnute aṭanga thil siam te</li> </ul>	<ul style="list-style-type: none"> <li>Heng vitamin zingah hian taksa mumal taka a than theih nana ṭanpuitu leh natna laka taksa vengtu tam tak a awm a ni.</li> </ul>
Vitamin C	<ul style="list-style-type: none"> <li>Citrus fruits, Guava, Amla (Sunhlu) Serthlum, Grapes leh Tomato</li> </ul>	<ul style="list-style-type: none"> <li>Taksa in natna hrik a dona kawnga lo bei lettu ṭanpuitu pawimawh tak a ni a, natna hri dona kawnga ṭangkai tak a ni.</li> <li>Taksa in Iron a lo dawnsawnna a thawk hlawk tak a ni a, rang taka taksa hliam tihdamna ah pawh a ṭangkai hle.</li> </ul>
Vitamin D	<ul style="list-style-type: none"> <li>Nghapui thau, Cod Liver oil, Butter, Artui leh Ni eng</li> </ul>	<ul style="list-style-type: none"> <li>Ruh siamtu pawimawh tak a ni.</li> </ul>
Vitamin E	<ul style="list-style-type: none"> <li>Wheat germ, Vegetable oil, Whole Grains</li> </ul>	<ul style="list-style-type: none"> <li>Taksa aṭanga bawlhhlawh leh taksa tana hlauhawm pah chhuahna kawnga ṭangkai tak a ni.</li> </ul>
Calcium	<ul style="list-style-type: none"> <li>Vegetables (Spinach, mustard greens) ragi, cheese, Bawnghnute, Curds leh Buttered bawngnute.</li> </ul>	<ul style="list-style-type: none"> <li>Ha leh ruh siamna kawnga pawimawh tak a ni.</li> </ul>
Iron	<ul style="list-style-type: none"> <li>Thlai hnah hring(Spinach, methi), Legumes, sa leh Arsa</li> </ul>	<ul style="list-style-type: none"> <li>Thisen siamtu pawimawh a ni.</li> </ul>
Iodine	<ul style="list-style-type: none"> <li>Iodized salt ( iodized chi)</li> </ul>	<ul style="list-style-type: none"> <li>"Goitre" Awruar" leh natna dang laka min vengtu a ni.</li> </ul>

## **Increased Nutritional Need During Adolescence (Thanglaiin Eitur တဲ့ an Mamawh Tam Chhan)**

Odolescence kan tih hi naupang puitling tura taksa leh riltu lama chak taka an တဲ့ than chhoh lai, puitlinga chhiar an nih hma si hi a ni a, hemi hun chhung hian Adloescence te hian an puitlin huna an rihna tur za a 50, san lama za a 20 leh an puitlin huna an ruhrel tur za a 50 an neih hman avangin nutrition lam an mamawhna a sang hle a ni. Hetiang hun tawng mek hmeichhe naupang te pawhin thla tin thi an neih dawn avangin hun dang zawng aiin Iron an mamawhna a sang a, an ruh ti chak turin calcium hun dang aiin an mamawh hnem bawk a, Adolescene laia eitur dik leh awm tawk an ei khan an puitlin hunah NASA takin a တဲ့ npui dawn a ni.

### **Reason for poor nutrition of adolescent girls (Hmeichhe tleirawl တဲ့ angli ten eitur တဲ့ tawk an ei loh fo chhan)**

- Chhungkua leh khawtlanga Odolescene laia Nutrition pawimawhna an hriatthiam tawklo vang.
- Economic vanga eitur တဲ့ neih zawh loh vang.
- Thlai hring leh thei ei tam tawk loh vang.
- Eitur chhum leh sawngbawl dan တဲ့ halo leh hrisel tawk loh vang.
- Adolescene laia lan nalh duh avanga chaw nghei leh dieting tih uar lutuk vang.
- Chhungkua a eitur rual khai loa dawn a nih vang leh hmeichhe tleirawl တဲ့ angli ten eitur တဲ့ an mamawh ang tawk an dawn loh vang.
- Social thil vang a ni thei a, hmechhia leh nuin chhungkua a mipa te ei bang chauh an ei phak avangin.
- Thingtlang ah chuan hmeichhe fa ten nu hnute kham khawp an hnek တဲ့ thin loh vang a ni fo.
- Rilru hahna leh enghelh neih avanga chaw eituina an hloh avangin.

## **Nutritional Deficiencies In Adolescents And Its Prevention (Thanglai zinga eitur tlakchhamna leh a ven dan)**

### **Anaemia (Thisen tlak chhamna)**

#### **Causes (A Chhan)**

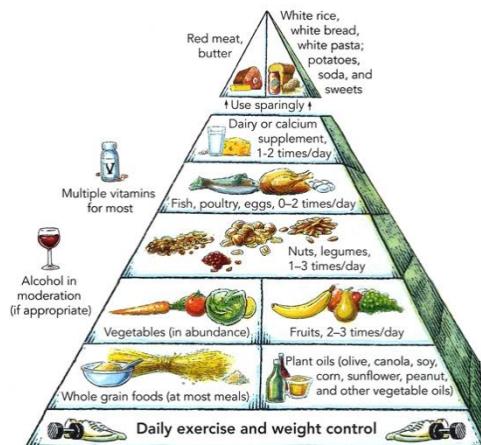

- Iron, folate leh eitur Vitamin C tamna ei tawk loh vang.
- Hookworm (Rulhutkawm?) pai vang.
- Iron ei tam tawk loh vang.
- Thla tin thi neih a thisen chhuak vang.
- Malaria benvawn neih vang.

### **Sign and Symptoms (A Landan leh a Hnathawh Dan):**

- An thaw a chham hma
- An lu a hai awlsam.
- Lu na.
- Kut leh ke a vawt.
- Vun, tin leh mit a dangin thisen a awmlo.
- An chaw ei a tuilo.

### **Consequences (A Nghawng)**

- Hnathawh an peihlovin an daih rei lo.
- Nu nih laia thih mai a hlauhawm.
- Impaired Cognitive functioning (Ngaihtuahna fim lo?)

### **Prevention and Treatment (A Ven Dan leh A Enkawl Dan)**

- Iron tamna thlai hnahn Spinach, mint, raddish hnahn leh drumstick hnahn eitam tur a ni a, artui chhung mu, sangha, sa thin leh sa pangngai ei tam tur a ni.
- Thil ei zingah Vitamin C telna Guava, Amla (Sunhlu), serthlum, thlai hnahn hring te telh tam tur a ni.
- Chaw ei ruala coffee leh thingpui in loh tur a ni a, iron tablets ei atanga darkar khat a ral hma chuan coffee leh thingpui in loh tur.
- Mahni hriselna ngaih pawimawh tur a ni a, eitur sawngbawlna kawngah pawh thianghlim taka chet tur a ni.
- Rulhut laka inven nan pheikhawk leh slipper bun reng tur a ni a, rulhut vanga harsatna tawka inhriatna a awm chuan Iron damdawi ei hmain engkim ngun taka finfiah hmasak tur.
- Hma taka pasal neih loh tur a ni a, fa pawh pai nghal mai loh a tha.
- Chhungkaw him nan malaria pai thosi an inthlah punna ang chi reng reng chu ngun taka enfiah a tih chhiat zel tur a ni.
- Hunbi neiin Iron leh Folic acid tablets ei tur a ni.

### **Vitamin A Deficiency (Vitamin Tlakchhamna)**

#### **Causes (A Chhan)**

- Vitamin A tamna chaw ei tlem vang.
- Kawthatlohma, acute respiratory tract infections leh measles awm fo atangin a awm thei.
- Nu hnute tui hmasa a hnek loh vang.
- A hun taka hnute hnek loh vang.
- Hnute mumal taka hnek loh vang.

### **Signs and Symptoms (A Landan Chhuah Dan)**

- Night blindness
- Dry eyes (mit ro?)
- Dry skin (vun ro)

### **Prevention and Treatment**

- Vitamin A tamna thlai hnahn hring, eng, sen ang chi (Mai, Carrots, Spinach, Mint, Radish hnahn, Drumstick hnahn) Thingfanghma, Theihai, Bawngnute leh Bawngnute atanga siam, Artui, Sangha leh Sa thin te ei tam tur a ni.
- Ghee, oil leh butter te ei tam tur.

### **For Child (Naupang Tan Bik)**

- A hma thei ang berin hnute hnek tir tur.
- Nu hnute tui hmahruai naute hnek tir tur.
- Thla 6 an nih pawhin hnute pek tur a ni a, hemi hnuah pawh hnute pek chhunzawm reng rih tur?

## **Iodine Deficiency Disorder (Idd) (Iodine Tlakchhamna)**

### **Cause (A Chhan)**

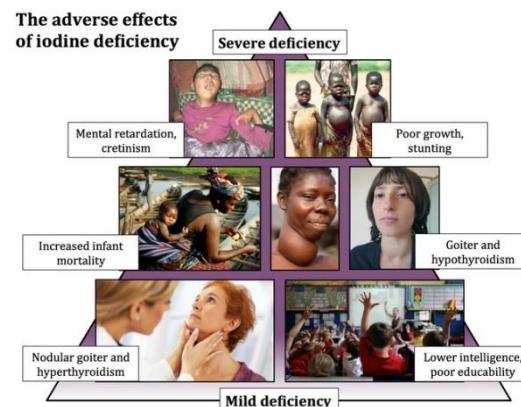

- Taksa in iodine a tlakchham vang.
- Eitur leilung iodine nei chau tak atanga thar chhuah ei thin avangin.
- Iodise chi tangkaina hriat loh vang.

### **Signs and Symptoms (A Lan Chhuah Dan)**

- Nghawng a vung,
- Mitmu a pawng chhuak.
- An harhlo, an ngui thin.

### **Consequences as (A Nghawng)**

- Goitre ah a chang thei.
- Rilru kimlohma leh beng ngawnna.
- A hun loa nau hrin leh nau nau tih tlak thlengin a thlen thei a ni.

### **Prevention of Iodine Deficiency Disorder (Idd)**

### **(Iodine Tlakchham avanga Harsatna Thlen Thei Pumpelh Dan)**

- Iodised Chi chauh hman tur
- Tuipui lam atanga man thin eitur chu a lei thei ta chuan ei tam a tha.

# HEALTHY COOKING AND EATING HABITS

## (EITUR SIAM DAN LEH EI DAN HRISEL)

## Salient Points

### Method to Improve the Nutritive Quality of Food.

#### Instructions for Instructors:

Training programme ṭan ni hmassa ber ah, thlai hring silfai tur, tichuan nikhat vel tui thianghlim ah chiah phawt tur. A ni hnihna ah puan huh in ṭawnin pho kan tur. Ni thumna ah, a zung lo ṭo ṭan dan chu hrilhfiah tur. Chaw siam dan dang hrilhfiah laiin heng thlai lo ṭiak tharte hi midang tem tir chin tur.

**Sprouting** an tih dan phungah hian thlai chi kha puan huhah tuamin an rawn ṭiah a, an rawn ṭo chhuah thlengin an khai ṭhin a ni.

#### *Benefits of Sprouting (Sprouting Thatna te)*

- Vitamin B leh C Complex a tam phah duh bik.
- Hetianga thlai thar ei hian ek khal a awm lovin gas insiam pawh a tlem bik.

**Fermentation** ah hi chuan cereals leh pulses kha an rawt sawm pawlh a, zan riaka dahin hei hian Vitamin C leh B Complex a siam tam duh bik a ni.

**Enrichment of Food** ah hian eitur chi hnih emaw a aia tam emaw kha pawlhin taksa in Nutrition a mamawh tih tamna kawnga pawimawh tak a ni.

Kan chaw eitur kan tih hrisel leh zual theihna kawng ṭhenkhat chu a hnuai a mi ang hi a ni.

- Bekang dip leh Wheat dip chawhpawl hian protein a pai tam zual hle.
- Ragi dip leh Wheat dip chawhpawl hian calcium siam tam duh hle.
- Bajra dip leh Wheat dip chawhpawl hian Wheat ah khan Iron a tih tam phah hle.
- Amla (Sunhlu) pho ro hi dal leh kan chawhmeh thlai ang chiah te khan telh ila Vitamin C siamtu ṭha tak a ni.
- Hetiang bawk hian carrot pawh pho rovin kan eitura Vitamin A tih tam nan hman theih a ni.
- Dawra an zawrh Iodised chi te hi hman berah kan nei tur a ni.

### ***Benefits of Enrichment of Food (Eitur tih Chak Thatna te)***

- Kan eiturah Nutrients chi hrang hrang a ti tam.
- Kan taksa in a hma aia tam Nutrients a dawn phah.
- Hun danga kan ei ngailoh Nutrients kan taksa in a dawn phah.
- Naupang in eitur an duh ngailoh an dawn phah thei bawk.

### **Cooking**

#### ***Benefits of Cooking (Chhum Hmin Thatna)***

- Chhum hian kan eitur a ti nemin pai tawih a ti awlsam.
- Chhum hian natna hrik hlauhawm a tihlum thei.
- Uluk taka chhum thiam chuan kan eitura nutrition te ḥangkai takin a chhawr theih a ni.

#### ***Nutrients Lose During Cooking (Eitur Chhum avanga Hriselna kan Hloh Theih te)***

- Eiturah hian Vitamins leh Nutrients tam tak a awm a, hengte hi a chan lai leh sil na bakah sa lutuka chhum chuan a bo vek thei a ni.
- Thlai sin te te a kan chan a kan sil leh hian a hriselna pai tam tak kan tibo thei a ni.
- Thlai chan dan diklo leh a sil dan dikloah chuan Vitamin B group tam tak kan pahib thei a ni.
- Thlai chan leh silnaah hian vitamin tam tak a bo thei a ni.

## **Vitamin Retention\* by cooking method**

**Boiling      40-75%      Roasting      53-90%**

**Steaming      75-90%      Pressure  
Cooking      90-95%**

[www.foodrenegade.com](http://www.foodrenegade.com)

\* C & B vitamins

- Sa lutuka chhum hian thlai hriselna tam tak a bo thei.
- Nutrients tih chhiat awlsam ber te chu silfai mai theih Vitamin B Complex leh Vitamin C te an ni a, sil nasat lutuk te, pawlawh lutuka dah te, Ni sa a dah te leh enga dah te hian a hriselna pai tam tak a bo thei a ni.
- Thau pai vitamin Vitamin A, D, E leh K te hi an ral mawh deuh.
- Protein te hi a chhumna aṭang ringawtin a bo mawh a, mahse chhum rei lutuk chu a tha chuanglo.
- Legumes chhum aṭang hian Mineral tam tak a chhuak thei a, mahse Vitamin ang em erawh chuan tihbo fai a awl lo hlauh.

## Cooking Tips

- Eiur chhum dan mumal tak hian Mineral bo tur thui takin a veng a ni.
- Thlai hel leh tharlam fai taka sil a, a hela ei a hrisel hle.
- Buhfai pawh hi vawihnih bak sil loh tur.
- Buhfai chiahna chu a chhum nan hman leh a pawi lo.
- Buhfai leh thlai chhumna tur tui chu pah then ngailo turin in hmin tawk chiah hman tur a ni.
- Buhfai, Dal leh thlai chhumna tui chu a tam lutuk chuan Soup ah hman mai tur a ni a, a nihloh pawhin chhang hmeh nan a hman theih a ni a, a chhan pawh tuia thil kan chhuan so reng rengin a hriselna pai kha a tuiah a kal vek thin vang a ni a, chuvangin a tui pah ringawt khan a hriselna pai tam tak kan pahih tihna a ni.
- Thlai tharlam chauh ei a tha.
- Eitur ah Cereals leh Pulses lam telh hram thin tur a ni.
- Thlai leh thei te chu chan hma a sil tur a ni a, i chhum hma lawkin chan thin ang che.
- Presure cooker a eitur chhum hian Vitamin C chhuak tur a veng.
- Eitur chhum nan Thirbel pawh hman theih a ni.
- Eitur rei tak chhum loh tur.
- Bawngnute atanga ‘paneer’ siam reng rengin a tui chu pahh lovin chhang hmeh nan hman leh mai tur ani.
- Thlai hringte chu kan chhum laiin kan chhin ngei ngei tur a ni. A hmin hma a, hriselna a chhuak bo lo bawk.
- Thil sa lutuk hian Nutrients thenkhat Vitamin C ang te hi a tichhe thei a, eitur siam zawahah ser tui sawr hlek thin a pawilo bawk.

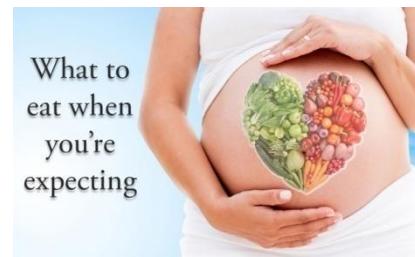

# NUTRITION DURING PREGNANCY AND LACTATION

(Nau pai lai leh nau hnute pek laia eitur tha pawimawhna)

## Salient Points:-

### Pregnancy (Nau Pai Laiin)

- Eitur inbuk tawk leh chi hrang hrang taksa mamawh pe thei ei ang che.
- Nikhatah vawi 4 vawi 5 thil ei tur a ni.
- Rai lai chuan Cereals, Pulses, bawngnute leh bawngnute aṭanga siam lam leh thlai thar leh thlai hring ei tam tur a ni.
- A lei zo tan chuan sa, sangha leh artui ei tam tur.
- Energy pe thei Oil leh Ghee ei tam tur.
- Iodise chi hlir hman tur.
- Tui in tam tur.
- Nau pai laiak luak chhuak leh luak ching tan pawh eitur thlah loh tur a ni a, ei tlem a, ei ngun mai tur a ni.
- Nau pai laiin eitur eng chi mah thlah kher loh tur, mahse zu leh vaihlo lam chu thlah vek tur.

What to eat when you're expecting

### Lactation (Nau Hnute Pek Lai)

- Nau pawm lai chuan a chaw ei thin panngai bakah khan nitin chaw a ei tam a ngai thin.

- Nau pawm lai chuan hun dang aiin hnute tui siam thei tur protein( Quality sang)a mamawh a,whole grain, cereals, pulses, dal, bawngnute, curd, thlai hnah hring lehtheirah a ei tam tur a ni a,iodised chi chauh eiturah hman tur a ni bawk.
- Nau pawm lai chuan tui lam in tam tur.
- Nau pawm lai chuan eitur rim na leh thak ei loh tur a ni a,calorie pai tam Ghee, nuts etc ten taksa rihna an siam belh theih avangin a ei tur a nilo.
- Nau pawm laia nau paiin a eitur mamawh ang a ei loh chuan ama taksain a hnuah a tuar thei a ni.
- Nau pawm lai chuan ei theih deuh vek a ni.
- Nau pawm lai chuan nau a neih aṭanga thla 6 chhung chu a hnute a tam zawk nan Anganwadi aṭanga ‘supplementary food’ an pek chu a ei thin tur a ni.

## BREAST FEEDING (NAU HNUTE PEK)

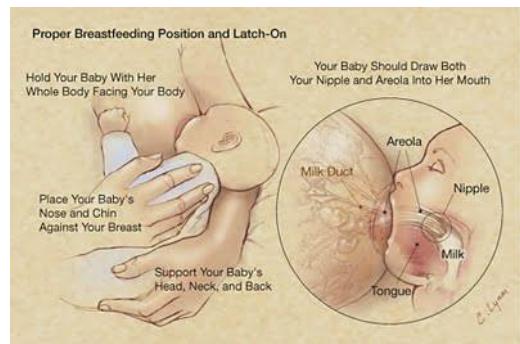

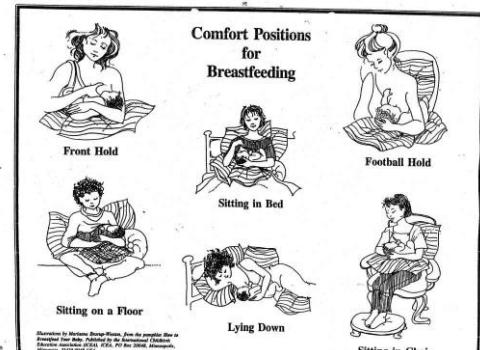

### ***Instruction for Teachers***

He session hi flipchart nena tih tur a ni a, nu hnute tui chu engnge anih a, a pawimawhna sawi ṭan tur a ni a, Flipchart hmanga inhrilhfiah tur.

### **Flipchart No 1**

Nu hnute tui hi nausen tana a chaw tur liau liau, a ei hmasak ber tur a ni. Nausen in thla 6 chhunga a energy leh nutrients a mamawh zawng zawng chu a nu hnute atanga dawngin hemi hun chhung hian a taksa in a mamawh hriselna zawng zawng chu a nu hnen atanga dawngin kum hnihna thla 3 hmalam thlengin a mamawh a la dawng tur a ni.

### **Flipchart No 2**

- Nu in nau hnute a hnek tir khan amahah lungawina thlenin mahni inrin tawkna a neih phah thin.
- Nauvin hnute a hnek khan a nu kha hnute leh chhul cancer lakah thui tak vengin an thi hul hma lutuk tur a veng bawk.

### Flipchart No 5

#### **How much and how often should the infant be fed? (Nau chu engtia zingin nge hnute hnek tir tur?)**

- Nau piang hlim chu darkar 2 danah pawh hnute pek mai tur a ni a, hei aia zing pawh hi a tul chuan a pawi lo.
- Nu chuan a hnute chu a inchhawkin minute 10 atanga minute 15 te a hnek tir tur a ni.
- Thla 2 atanga thla 3 an tlin thlengin nausen chu ni khatah hnute vawi 6 atanga vawi 8 hnek tir tur a ni.

## Flipchart No 6

### Signs of Under and Over feeding (Hnute khamlo leh hnem tam lutuk hriat theihna)

#### Sign of Underfeeding (Hnute khamlo hriat theihna)

Nausen vun chu a pian atanga thla 1 tlengin a zur a,a hmai a sin bawk a,hnute a hnek zawh chauhah pawh nausen chuan kham awm hmel a pu chuanglo.

#### Signs of Overfeeding (Hnute kham hriat theihna)

Nau hnute kham lutuk chu an hnute hnek zawah an luak vak thei a, an ek a tui thei bawk. Nausen tam tak chuan an irh rualin tui an phuh chhuak thei bawk a, heihi luak nen a in anglo a ni.

## Flipchart No 7

### Breastfeeding positions

This is the classic 'front hold' or 'cradle position'.

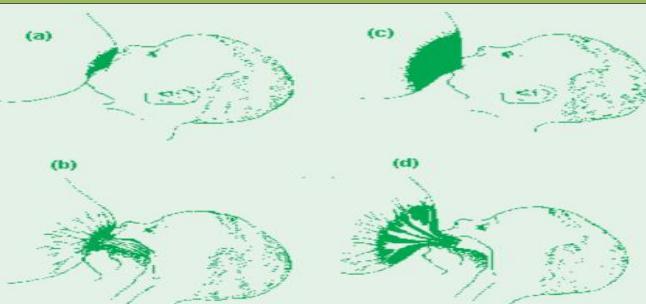

The 'underarm position' shown above is also known as the 'footy hold'. It's possible to feed twins together in this position.

The 'lying down' position is particularly good for mothers who have had a caesarean section or if one's bottom is sore after the birth.

## Flipchart No 8

#### Signs of good attachment are

- Chin touching breast
- Mouth wide open
- Lower lip turned outward
- More areola visible above than below the mouth
- No pain

#### Signs of poor attachment are

- Chin separated from the breast
- Mouth looks closed
- Lower lip pointed forward
- More areola visible below the mouth and lower lip
- Feel pain

### Instruction for Trainers

## WHO Recomendation for Feeding Young Children (WHO in naupang te chaw pek tha a tih dan)

### At Birth (Pian Tirah)

- A rang thei ang berin nausen chu hnute pek tur, duh dan chuan an pian aṭanga darkar chanve chhunga pek ngei ngei tur.
- Pre lacteal an tih, khawizu, tui leh bawngnute leh tui pek loh tur ani a, hnute tui chauh pek tur.
- Colostrum paih miahloh tur.

### Birth to 6 Months (Pian aṭang Thla 6 Chhung)

- Nausen chu thla 6 a tlin hma chuan hnute lo chu pek loh tur.Tui takngial pawh pek loh tur.
- Chhun leh zanah nausen chu a duh zat zat hnute hnek tir tur.Darkar 24 chhungin vawi 8 aṭanga vawi 24 tal hnute hnek tir tur a ni.
- Nausen a chet sek a, a kut a hne emaw, a hmui a tih chet chuan hnute a hne duh tihna a ni fo.
- Hnute lehlam i hnek tir hmain a hnek lai a hne fai vek phawt tur a ni.
- Nausen hian a nu hnute in a tuihalna leh riltamna a phuhruk vek avangin tui leh thil tuiril dang engmah a hre hrang lo a, hun engremaw chen chhung a mamawh lo bawk.

### At 6-9 Months (Thla 6 aṭanga Thla 9 Inkár)

- Hetiang hunah hian ‘porridge’ emaw chaw rawtsawm emaw fian hnih fian thum vel ni khatah vawi 2 vawi 3 tal eitir tum ang che.
- Chu chu 125 ml anih thlengin ti tam hret hret ang che.
- Thla 8 ah chuan nausen chu amaha in hrai thiam turin tanpui ang che.
- Nuts (Thei pil sak):- grapes, carrot etc te chu an hak theih avangin a khawih phakah dah suh.
- A chaw ei kar lakah a ka a tui chuan vawi hnih khat kan tarlan ang kha eitur pe ang che.

### At 9-12 Months (Thla 9 aṭanga Thla 12 Inkár)

- Nausen chu chaw rawtsawm amah pawha a ei theih tur no chanve vel ni khatah vawi 3 aṭanga vawi 4 pek tur.
- Chaw ei kar lakah hetiang hi vawihnih vel pek tur a ni.
- Ama thleng ngei aṭangin dawhthei taka hraiin a mita enin hmangaih taka be chungin hrai ṭhin ang che.
- A eitur ah chauh a rilru a pek theih nan ngaihtuahna la peng thei dang a bulah siam loh tur.
- Nawr lui lo la, ei bang neih tir suh ang che.
- A eiturah thahrui siam thei a tam zawk nana eiturah chuan ‘ghee’ leh ‘oil’ tlem pawlh sak la, a tlem deuh chuan tam zawka heihi pek belh mai tur a ni.

### 1-2 Years (Kum 1 aṭanga Kum 2)

- Nausen chu a duh hun hunah hnute pek tur a ni a, kum 2 a pelh hnu thleng pawha pek mai tur.
- Ni khatah chaw hrisel tak chawhpawlh leh rawt sawm vawi 3 vawi 4 pein a kar lakah eitur dang a duh chuan pe bawk ang che.
- Eitur chi hrang hrang pe ṭhin ang che.
- Naupang chu chaw a ei duh nan pui ang che.

### 2-5 Years (Kum 2 aṭanga Kum 5)

- Chungkaw chaw ang eitir tan ve theih a ni tawh a, a chaw ei kar lakah vawihnih tal eitur hrisel tak pe ang che.
- Eitur chi hrang hrang pe la, a ei duh loh anih chuan a ei duh nan eichhin tir dan ngaihtuah rawh.
- Naupang chu chaw ei luih tir suh. A kum, pumrua leh a chetdan a zirin eitur pe ang che.

### Safe Food Preparation and Hygiene (Eitur Him leh Hriselna)

- Eitur siam hma, naupang chaw a hrai hma leh inthiar zawahh sabawna kut sil ngei ngei tur.
- Tui thiaghlim chauh in tur a ni a, tui chu chhin neiah dahin a suah chhuah nan no beng nei hmang ang che.
- Naupang no leh fian chu hman hmain tuiso a i chhuanso sak loh pawhin sahbawnin fai taka sil hmasak tur.
- Feeding Bottle te hi tihfai an harsat avangin a hman loh theih hram chuan hman loh tur.
- Eitur chu bungbel faiah chauh siam tur a ni a, eitur chu siam hmain ngun taka sil hmasak tur a ni a, sa, arsa, artui leh lui sa ang te phei chu ngun taka sil tur an ni a, eitur siamsa chu ei hma a chhuan so leh phawt tur a ni.
- Eibang chu uluk takin chhin la, chu chu eizawhah fridge ah dah tur a ni a, darkar 2 chuang dah vawh thatloh, ‘room temperature’ a dah chu paih nghal tur.

**KEY MESSAGE TO MOTHER ABOUT CARE OF YOUNG CHILD**

**(Nu te hnena nausen enkawl dan tur chungchanga ngenna.Heihi box chhunga awm ni mahse hetiang hian ka rawn siam a ni)**

- Nausen te hi an Pian atanga kum 2 chhungin an thluak a thang chak ber a, chuvangin naupang te chu an thluak sawizawi turin an infiam tam tur a ni a, an che tamin an beng hriatna pawh an hmang tangkai tur ani a, an thil hmuh leh khawih te pawh tangkai taka an hman thiam theih nan chhungten an kaihruai tur a ni.
- Naupang chu tawng, ngaihthlak leh infiamna hmangin a hriatna tuaihriam turin kan tanpui tur a ni.
- Hrisel lohna hian naupang thanna leh hmasawnna tam tak a ti thuanthu thei a, naupang a hrisel theih nan ‘immunization’ ngai pawimawh ang che.
- Naupang chu taksa a harsatna chauh nilova a rilru lama buaina a tawh loh nan venghim la, mahni inrin tawkna nei turin kawng engmkimah kawng dap pui ang che.

## Solving Feeding Problem (Nau Hrai Dan)

Feeding Problems	Solution
<b>Age Group: Birth to 6 six months</b>	
1. Mother is not Breastfeeding Exclusively (Nu in hnute chauh a pe lo).	<ul style="list-style-type: none"> <li>– Chhun leh zanah vawi 8 tal hnute pek tur.</li> <li>– Nausen chu glucose tui, thingpui, bawngchnute, porridge leh tui takngial pawh pek loh tur. Hetiang pek hian nu hnute a naupang natna laka venghimtu kha a ti dalin a ti chaklo thei a ni.</li> </ul>
2. Mother feels she does'nt have enought breast milk (Nu in hnute tui nei tam tawk lovin a inhria)	<ul style="list-style-type: none"> <li>– Hnute tui ti tam tur chuan naute chu hnute a pe ngunin a hma aia reiin a pe thin tur a ni.</li> <li>– Chhun leh zanah hnute a pe tur a ni.</li> <li>– Nu chuan thil a eitamin thil tui pawh a in tam tur a ni.</li> </ul>
3. Mother goes out to work and is unable to feed the child (Nu chu a chhuah a ngaih thin avangin nausen duh angin hnute a pe theilo).	<ul style="list-style-type: none"> <li>– Nu chuan hna a thawh hmain naute chu hnute a pe fo tur a ni a, a haw hnuah pawh pein zanah pawh a pe tur a ni.</li> <li>– A theih chuan Nu chuan naute chu a hnathawhnah hruaiin a chawlh theih veleh hnute a pe thin tur a ni.</li> <li>– A awmloh hlana pek turin a hnute chu a sawr thei bawk ang.</li> </ul>
4. Mother has flat or retracted nipples and cannot feed the child (Nu hnute hmur a tlum tlat avangin hnute a pe theilo).	<ul style="list-style-type: none"> <li>– NU chuan a hnute hmur siamtha turin oil nen a enkawl tur a ni a, (Mustard oil hman loh tur) hetiang hian ni khatah vawi 3 aṭanga vawi 4 tal a ti thin tur a ni.</li> <li>– Hetianga a tih hnu ni 2 ni 3 ah pawh a hnute hmur a tha thei chuanglo anih chuan doctor pan turin hrilh ang che.</li> </ul>
5. Mother has sore nipples or swelling on the breast (Nu hnute chu a thip in a vung )	<ul style="list-style-type: none"> <li>– Doctor pan turin hrilh tur.</li> <li>– Hnute chu darkar 2 danah sawr tur.</li> <li>– Hnute chu a 'infected' anih chuan hnute tui chu pah tur a ni.</li> </ul>

## Immunisation (Natna hrik laka invenna)

National immunisation schedule for Infant, Children and Pregnant Women (Ram puma naupang, hmeichhia leh raipuar te tana natna laka invenna)

Vaccine	When to give	Dose	Route	Site
<b>For Pregnant Women</b>				
TT-1	Early in pregnancy	0.5 ml	Intra-muscular	Upper arm
TT-2	4 weeks after TT-1*	0.5 ml	Intra-muscular	Upper arm
TT-Booster	If received 2 TT doses in a pregnancy within last 3 yrs*	0.5 ml	Intra-muscular	Upper arm
<b>For Infants</b>				
BCG	At birth or as early as possible till one year of age	0.1ml (0.05 ml till 1mth age)	Intra-dermal	Left upper arm
Hepatitis B	At birth or as early as possible within 24 hours	0.5 ml	Intra-muscular	Antero-lateral side of mid-thigh
OPV-0	At birth or as early as possible within thefirst 15 days	2 drops	Oral	Oral
OPV 1, 2 & 3	At 6 weeks, 10 weeks and 14 weeks	2 drops	Oral	Oral
DPT 1, 2 & 3	At 6 weeks, 10 weeks and 14 weeks	0.5 ml	Intra-muscular	Antero-lateral side of mid-thigh
Hep B 1, 2 & 3	At 6 weeks, 10 weeks and 14 weeks	0.5 ml	Intra-muscular	Antero-lateral side of mid-thigh
Measles	9 completed months-12 months	0.5 ml	Sub-cutaneous	Right upper arm
Vitamin-A (1 <sup>st</sup> dose)	At 9 months with measles	1 ml (1 lakh IU)	Oral	Oral
<b>For Children</b>				
DPT Booster	16-24 months	0.5 ml	Intra-muscular	Antero-lateral side of mid-thigh
Measles 2nd dose	16-24 months	0.5 ml	Sub-cutaneous	Right upper arm
OPV Booster	16-24 months	2 drops	Oral	Oral
Japanese Encephalitis**	16-24 months	0.5 ml	Sub-cutaneous	Left upper arm
Vitamin-A*** (2 <sup>nd</sup> to 9 <sup>th</sup> dose)	16 months. Then, one dose every 6 months up to the age of 5 years	2 ml(2 lakh IU)	Oral	Oral
DPT Booster	5-6 years	0.5 ml	Intra-muscular	Upper arm
TT	10 years & 16 years	0.5 ml	Intra-muscular	Upper arm

VACCINE, FOR PREGNANT WOMEN: TT-1..... (A chart anih avangin siam sual a hlauhawm a, a landan ang hian a thiam copy chhuah tir mai a tha zawk ang)

## Malnutrition (Ei Chhiat)

Instruction for Trainers: Flipchart hmangin naupang eitur tha hmulo te dinhmun entir a, kwashiorkor leh marasmus in an lohna zirtir tur a ni.

### Kwashiorkor (Protein tlakchham avanga natna awm theite)

- A rih lam beisei aia za a 60 tlem a ni fo (Oedema dinhmun a zirin)
- A hniam hle ang.
- A nguai.
- A hmai a bial.
- A sam a tlemin a chul.
- Oedema-Tui tlingkhawm avangin a ke a vung
- A vun a dum thliah a,a pilh sam hle bawk.

### Marasmus?

- A lu a lianin sam a nei tlem hle.

- A vun rawng a diklo a, a pilh sam hle.
- Tihrawl a neilo a, a nakruh te pawh a lang thei.
- A nguaiin a chhehvela thil engmah a ngaihtuah peihlo.
- A harhlo,a awmdan ngai ngaiin darkar tam tak meng lovin a awm thin.
- A chawei a tuilo, thil a ei duhlo a,a chhak chhuak ngai bawklo.
- Tar an ang duh hle.

## Common Ailments and its Prevention (Natna Tlanglawn thenkhat leh a Enkawl Dan)

### FEVER (Khawsik)

- Khawsik hi natna a nilo a, natna ti lang tu mai a ni. Mahse, natna dang rawn tilangtu anih avangin ngaithah tur a ni hauhlo.
- Naupang taksa lum dan thununtu khawl te hi an nih tur an an la nilo a, hei vang hian khaw awmdan a zirin an taksa lum dan pawh a intlhak fo thin a ni. An taksa lum dan chu a sang thutin a tlahniam leh thath thei bawk.
- An taksa lumna a san chhoh (99.4.Degree centigrade chin) vang maiin an damlo tihna a ni chuanglo a, mahse an chet nasat dan leh pindan lum vang te pawhin an taksa lumna a sang vak thei bawk a ni.
- High Fever can Cause (Khawsik sang chuan hengte hi a thlen thei):
  - Febrile Convulsion:- Hetianga an awm chuan an taka thunun theilovin an che zawk zawk a, an phu zawk zawk thin. Naupang chu nikhaw hrelovin a awm thei bawk a, hetianga an awm chhung hi a reilo a, seconds tlemte a ni tlangpui thin.
    - Hetiang hunah hi chuan naupang chu pawm kan loh tur
    - Khumah a zangthalin mut tir tur.
    - A leiin a thawkna a dal lohna turin a saisira a lu dah tur.
  - Naupang chu hetianga a awmin Doctor hnena hruai tur:
    - Naupang chu a thin a chhia a.
    - A luak a chhuak a, a luak chuan.

### I tih ve theih

- Pindan dai nuam tawk chauhin siam ang che. Tukverh hawng la, fan a awm chuan naupang chu chhem dahi tir tur.
- Zangkhai taka thuam hak tirin puan pawh zangkhai tak sin tir ang che.
- Naupang chu kal san suh.
- Tui huhin a nghawng, hmai leh ban chhunglam bakah a ke hruk sak tur.
- A khawsik tih reh nana ‘paracetamol’ emaw doctor in an chawh ang che i pek hmain a pek dan tur an tih chu ngun takin enfiah hmasak tur a ni.

### Vomiting (Luak)

Luak hi natna a nilova, mahse natna rawn tilangtu a ni a awmna chhan ni thei te chu:

- Infection vang.
- Pum lam dikloh vang leh rilru hahna leh hlauhthawnna neih vang.
- Zin kawnga ruih vang.

### Vomiting in small babies (nausen luak)

- Nausen tam tak chuan an thil lem tam tak an luak chhuak leh thin, heihi luak panngai a nilo a, nausen tana pawi a ni ngai lemlo.
- Projectile vomiting – Hetianga luak ah hi chuan na takin nausen kha a luak a, a eitur a luak chhuak leh vek thin a, ‘dehydration’ leh rihna tlak hniamna thlenin nausen tan a pawi thei a ni.

Seek medical help if (A hnuia mi ang hi a thleng anih chuan damdawi thiam pun nghal tur)

- A luak hnuah pawh a nawm chuan loh chuan.
- A zawna vawi 2 vawi 3 a luak emaw nikhata vawi 3 aia tam a luak chuan.
- Luak bakah khawsik leh kawthalo in a tlakbuak tan chuan.
- Hmel dang, chau, riltam silo nguai taka a awm chuan.

Naupang chu a la naupan poh leh damdawi thiam pan ran tur a ni a, khawsik leh luak chu luak nena a inzawm reng phei chuan rang taka doctor pan pui tur a ni.

### Cold and Cough (Hritlang leh Khuh)

- **Hritlang** hi natna tlanglawn tak a ni a, khawvawt avang leh intuam lum loh vang nilovin virus vanga rawn awm a ni.
- Natna do theihna nei tlem te chuan natna dang ‘bronchitis’, ‘pneumonia’ (Awmna leh khawsik) bakah beng na an nei awlsam a, hetianga an awm phei chuan ngaituah vat tur an ni:
  - Ni 1 hnu pawha a khawsik a la reh theihloh chuan.
  - Hnar atanga tuihnang hring leh rawng eng a chhuah chuan.
  - Khuh hnawk leh thawk harsa taka an awm chuan.
  - Hrawk thip.
  - Beng na leh an beng a chhet deuh chhu chuan.
  - Harhlo tak a an awm a, an chaw eituina an hloh in.

**COUGH** – Khuh reh theilo kan tih ang hi hriltlang atanga rawn awm tan ani tlangpui a, ‘ashma’, ‘bronchitis’ emaw ‘pneumonia’ emaw avang pawhin a awm thei bawk a, chuvangin mahni thua damdawi inchawh mai tur a nilo. I khuh ruala khawsik a rawn awm a, thawk zawnga hrawk a rik a, thawk a harsat a, rang tak tak a i thawk chuan rang takin doctor pan nghal ang che.

### Precaution during cold (Hritlan laia in enkawl dan tur)

- Thil tui lam in tam tur a ni a, chaw pawh ei hun dang aia zingin ei tur.
- Doctor in ei an khap anih loh chuan serthlum tui, ‘curd’ leh buh ang chi te hnawl mai tur a nilo.
- Pindan chhung boruak ti lum turin towel tui luma chiah khai a tha hle.
- Hnar thlawr hian reilote hahdamna thlen mahse a hnuah hnar chhung a ti ro zawk thin.

**Adolescent Reproductive  
And  
Sexual Health (ARSH)**

## REPRODUCTION CYCLE AND MENSTRUAL HYGIENE

### (Nau pai dan leh thi neih kawnga in enkawl dan)

#### **Salient Points:-**

##### ***Instructions for Trainers:-***

## Activity 1: Taking Risks

### *Instruction for Instructors*

1. Adolescent hmeichhia te hnenah chuan dinhmun hlauhawm kan hmachhawn thin te kan en ho tur thu hrilh la, nitin hlauhawm ‘risk’ kan la thin a, kawngpui kan kan lai leh bus a chuan hman tuma kan um thin bakah infiamna hlauhawm tak te pawh kan khel thei tih hrilh la, nitina kan ‘risk’ lak thenkhat te hi kan tana pawi thei an nih avangin a theih angin kan ti tlem hram tur a ni tih hrilh ang che.
2. Adolescent hmeichhia te chu engnge ‘Risk’ awmzia zawa ang che. Risk inhlauhawm hleih theih dan te pawh hrilh la, hmeichia te chu risk in hlauhawm hleih dan zawa leh la, hemi hnu hian amah emaw a thiante pawhin nitin hlauhawm an hmachhawn theih dan sawipui la, hetiang risk an lak laia an awmdan zawa bawk la, an awmdan chu hetiang hi ani maithei a ni:
  - An phur in an zauthau.
  - Engkim ti thei leh chak hlein an inhria.
  - A hunlai chuan nuam an ti. Hetiang tih ching te zinga tel nuam an ti/ an hlau.

(No 3 hi chu a hma a kan tarlan tawh avangin ka siam nawn kher lo)

## Sesion 2: How do we make decisions that are safe? (Thu tlukna him engtin nge kan siam ang?)

### Objectives

- Adolescent hmeichhia ten ngun taka thil an ngaihtuah a, thu tlukna him an siam theih phahna tur a ni.
- Adoolescent hmeichhia chuan a thu tlukna chuan amah mai nilovin mi dang te pawh a nghawng tel thei tih a hre dawn a ni.
- Adolescent hmeichhia te chuan sex hman thuai a thatlohma hriain a inven dan pawh an hriat phah dawn a ni.

### Salient Points

- Hmeichhe dinhmun hlauhawm leh derthawng taka ding te chuan thu tlukna him leh fel taka siam dan an ngaihtuah thiam tur a ni.
- Hmeichhe naupang te hian an thu tlukna chuan hun rei takah a la nghawng dawn tih an chhut phak loh avangin thu tlukna thalo an siam phah fo ᲃthin a ni.
- Mipa hmeichhiatna kawnga hmanhmawh loh hi hmeichhia chuan a la tih chhin ngailoh chuan thil pawimawh leh ᲃtha tak a ni.
- Invenna tel lo a inpawlina hian hriselna kawngah NASA takin min nghawng thei a, rai a hlauhawm a, STIs/RTIs leh HIV/AIDS kai a hlauhawm a, chuvangin hetiang vei te nena inkawp hi khawtlang in an duhloh thil a ni bawk a, nu leh pa leh chhungkua bakah khawtlang pawm loh thil anih avangin hemi chungchangah hian thu tlukna siam thiam a pawimawh hle.
- Mahse, puitlinga chhiar chiah an ni hma si, Adolescent lai hian tupawhin thil tih chhin chakna lian tak an nei vek thin tih kan hre tur a ni.
- Hmeichhe tam tak chuan hnial thei ni mahse an mipa kawp ten an mahni hmangaih tawk loh avanga an kalsan mai an hlauh avangin sex hman an hnial fithla zo thin lo. Heta tang hian Adolescent hmeichhia te tan chuan pasal neih hma leh pasal neih hnua thu tlukna fing tak siam thiam turin an ngaihtuahna an sen thiam a ngai tih a lang thei a ni.

### Activity 1: Delaying Sex (Sex hman har)

#### *Instruction for Instructors*

1. Heihi hmeichhe kum 15 chunglam tan bik a ni a, an bulah sex hman har chungchang sawiin sex hman har leh pasal neih hma a inven tih chu engnge pawimawhna tih leh eng nge tha zawk ang tih sawipui ang che.

## 2. Sex Hman Loh Chhan Awm Thei Te

- Inneih hma a sex hman chu an dan a nilo (Sakhuana thil leh an culture a bet ani)
- Ka chhungte duh dan a nilo.
- Rai hlauh vang.
- HIV/STI hlauh vang.
- Ka la inpeih lo.
- Amah ah ka la chianglo.
- Kan inkuahin kan infawp thei a, sex hman kher a တုတေသန lo.
- Thian inkawm ngeih kan nih avangin kan la nghak thei.

## 3. Sex Hman Chhan Awm Thei Te

- Mi pawhin an ti vek alawm.
- Ka hmangaih alawm.
- Ka chhin ve chak reng reng.
- Pakhat zawkin ti tura a hmin theih avangin.
- In thlauhthlak mai hlauh vang.

## 4. Adolescent hmeichhe hnenah chuan sex hman har chu thil awlsam anih loh dan hrilhfiah tur a ni a, inven dan kawng pawimawh တော်လွှာချက်များ hi an ni.

- Eng chen nge i inhuam chiang la, ngaihsual tur zawngin engmah sawi suh.
- Mi hriat ngailoh lirtheiah in phurh tir suh.
- A falin awmpui suh
- A Tawngkam thlumah awk buai suh.
- Thil pek engmah la su.
- Tlang taka i duhloh thu sawi mai tur.
- Zu in suh, in thunun theihna a tibo.

(Hemi dawta Tips for Instructors leh Best Response games hi mahni pawha kan hriat sa leh ruahman chawp theih anih avangin ka kal kan)

## 5. Mipain hmeichhia sex hmang tura an thlem dan tam tak zinga တော်လွှာချက်များ hi an ni a, heta tang hian hmeichhia chuan inven dan tur a ngaihtuah thiam tur a ni a, Instructors te nen an sawi ho tur a ni.

1. I duh ve reng a, mahse i hlau mai mai anih kha.
2. Min ringlo em ni? AIDS leh natna hri ka kai emaw i ti a ni maw?
3. Ka duh ang i zawm loh chuan kan inthen mai a ngai ang.
4. Ka hmangaih che a, min hmangaih ve lo em ni?
5. Eng pawi mah a thleng lo ang, i rai teuhlo em mai.
6. Kan innei dawn tho a, inneih hma a vawikhat chauh tih chu a pawi hleinem.
7. I chhin ve chak lo emaw ni le?
8. Kan mudun tawh tho a, engnge i tan tlat a?
9. Mi pawhin an ti vek tho alawm.
10. Vawikhat chauh kan ti chhin dawn nia.

(Session 3.Solving problems leh Problems and solution te hi play ang chi deuh leh common sense pawha hriat sa an nih avangin ka kal kan. Phek 141)

## Session 4: We can Change Behaviour

### Objectives

- Adolescent hmeichhia chuan nungchang thlak chu thil awl nilo mahse theihloh a nilo tih a hriat phah dawn a ni.
- Adolescent hmeichhia te chuan hre hauhloa an nungchang thlak lo tura an inhmun dan a hriat dawn a ni.
- Adolescent hmeichhia te chuan an nun khua an thunun theih bakah an thiltih mawh chu an mahni phurh tur ani tih hriat phah dawn a ni.

### Salient Points

#### Activity 1: Excuses, Excuses (Chhuanlam, Chhuanlam)

- Chhuanlam kan siam thin hian kan hmalam hun leh nungchang siamna nasa takin a dip dal thin a ni.
- Chhuanlam siam hi thil awl tak a ni a, mahse kan siam hmain kan nunphung leh awmdan a nghawng theih dan leh khawsak dan phung duhawmlo a siam chhuah theih dan kan ngaiantuah hmasak fo a ngai a ni.

#### Activity 2: Open Door, Closed Door.

- Thalai tam tak chuan an harsatna tawh thin te chu midang vanga puhin a siamthatna kawng awm tawhlo a ngaihna an nei thin a, hetiang ngaihdan an neih chhung chuan an nunah awmze neia insiam danglam tura phurna leh inrin tawkna a awm mawh tawh thin hle a ni.
- Hmeichhia te hian harsatna te hi chinfel theih an ni tih an hriat a tha a,nungchang leh thil thlir dan pawh hetiang bawk hian a tih danglam theih tih an hre tur a ni a,hemi kawngah hian kan chhungte leh thian hnai ten min tanpui fo thei a ni.
- Thu tlukna tha leh fing siam tur chuan kan hma a kan tawn tur chu rilru zau tak pua thlir chungin rinhlelhna lo lut thei pawh kan thlitfim thiam a ngai a,hetiang dinhmun hriathiamna kawngah hian kan chhungte leh kan thian ten thui tak min pui thei bawk a ni.

#### Activity 1: Excuses Excuses

1. Hemi chungchang sawihonaah chuan Instructors chuan kan nunphunga tih danglam ngai awm thei mahse kan la tih chhin si loh sawi chhuak hmasa phawt sela.Nunphung leh nungchang thlak danglam thei tura kan inhawn chu thil pawimawh leh tul makmawh a ni. Hemi hnuah hian a khat tawka chhuanlam kan siam thin te kan thlir kir dan tur kan sawiho leh tur a ni.
2. Chhuanlam kan siam thin te list chu ziak chhuakin hmeichhia te hnenah chuan sem chhuak la,an chhiar laiin an in ngaihthlak sak tawn tur a ni a, zawhna te pawh tawngkam a inzawh bawk tur a ni.

3. Hemi hnuah hian kan zir chhuah kan hman zui loh te leh a chhan te sawiin midang te hnen at̄anga fuihna kan dawn te pawh kan sawiho tur a ni. Entir nan:-
- Nunphung tih danglam kan duhlo.
  - Intih danglam a la hunlo.
  - Kan thatchhiat vang.
  - A pawimawhna kan la hre tawk lo.

### **List of Excuse (Chhuanlam kan siam ̄thin te)**

- Tih ka lo tum tawh thin.
- A tha a mahse a inremin ka hrelo.
- Midangin min nuih ang.
- Hmang turin ka la inpeih lo.
- Hun dangah ni rawh se.
- Midangin an tum chhin ka lo hmu tawh alawm.
- Hun ka neilo.
- Ka la tihchhin ngailoh a ni.
- Ka buaipui tur thil a nilo.
- I dik ani maitei, mahse....
- Intih danglam vel chu a buaithlak mai mai.
- Ka la ngaihtuah ang.
- Ka tih laiah hian harsatna ka la tawk hleinem.
- Ka dinhmun hi a danglam bik alawm.

### **Question for Discussion (Sawiho tur zaghna te)**

- A chunga chhuanlam te hi i hriat hnu an ni em?
- I thian thenkhat ten hetiang hian chhuanlam an siam ngai em?
- Hetianga chhuanlam an siam hian engtin nge i awm a, engtin nge i khawsak thin?
- Kan tarlan ang hian tunhma in i lo chhang tawh thin em?

### **Activity 2: Open Door, Closed Door. (Heta No 1 & 2 a First paragraph chin hi pah a ni)**

Nula leh hmeichhia ten harsatna lian tak an tawh chang chuan an thinu r a, tih ngaihna an hrelo ̄thin a, khawvelin an tana thil ̄tha tak tak a rawn chhawp chhuah sak theih (Open door) te chu an chang dawnlo a in hriatna an nei a, khawvelin an tan engkim a thup bo thin (Closed Door) ah an ngai ̄thin ani. (Chart ah ka pakai nghal.)

Closed Door	Open Door
Ka lehkha zir ka bansan a ngai maithei a ni.	Zirna chuan mahni mai nilovin chhungkaw tana changkanna a thlen dan tur chhungte sawipui tur.
Ka farnu chuan a pasal nei tur ka tihbua avangin min mawhpuh ngei ang.	Hlim taka innei tur chuan inzah tawnna leh in hriathiam tawnna a ṭul ani.
Ka chhungte hian ka kawppui tur awlsam takin an dap chhuak tawh hauhlo ang.	Chhungkaw tam takin zirna an ngaih pawimawh avangin kawppui tur hmuh chu thil harsa a nilo ang.
ka nu leh pa chuan sawi chhiatna chu an hmachhawn a ngai dawn anih hi.	I nu leh pa chu an harsat manganah chhungte dang nen thlawpin in tanpui tur a ni.

### Question for Discussion

- Kawngkhar (Door) chu hawn a harsa em?
- Ngaihtuahna fim leh fing takin midang harsatna a chingfel thei ang em?
- Nula te hian midang te harsatna chu an sawifel pui thei ang em?
- HIV kai tawh te nula te hian an tanpui thei ang em?

## Sesion 5: My Goals (Tum mumal/Mumal lo)

### Objectives

- Adolescent hmeichhia te chuan nakin hun leh chawpchilh maia hlen chhuah leh puitlin tur thil ruahman dan an hriat phah ang a,an tum hlen chhuak tura harsatna lo awm te paltlang dan an hriat phah dawn a ni.
- Adolescent hmeichhia te chu an nakin hun tur a nghawng dawn avangin an duh leh tum thlan chungchangah an fimkhur phah ang.
- Adolescent hmeichhia te chuan an hmalam panna kawnga harsatna chinfel dan tur paltang dan an ngaihtuah thiam phah ang.
- Adolescent hmeichhia te chuan an mawhphurhna hriain an hun lo awm tura a tha zawnga kal kawng sial dan an hriat phah ang.

### Salient Points

#### Activity 1.How do I set my Goals (Engtin nge ka tum ram chu ka pan ang?)

- Tum mumal neih hi a pawimawh hle a,hetiang neilo mi chuan an nuna tum mumal neilovin thli in hnime a chhem len ang mai an ni a,buaina nasa tak tawh phahin chhiatna nasa tak an tawk thei bawk a ni.
- Tum (Goal)neih hi a hnuaia kaihhruaina hmang hian tih theih a ni:
  - I tum chu thlang fel rawh (Thil awm ang a ni em? ka hlawkpuiin ka thatpui ang em? tih erauh chu ngaihtuah hmasak ngei ngei tur)
  - I tum hlen chhuak tur chuan eng harsatna nge ka hmachhawn theih tih ngaihtuah la,a chinfel dan awm thei a ni em? tih ngaihtuah nghal bawk tur.
  - Engte nge ka tum hlen chhuah nana ka neih( Tunge min pui ang? pawisa ka nei tawk em? Eng thiamna nge ka neih? tih ka tum a zirin ngaihtuah tur)
- Tum hlen chhuah tur chu hun rei tak nghah ngai thil pawh a ni thei a, chutiang anih chuan awmze nei takin hunbi neia tih chin tur in bithliah fel tur a ni .

#### Activity 2: A ‘Mantra’ for Trying.

- Tum mumal leh fel neih hi thil harsa leh thiam taka ngaihtuah ngai a ni a,mahse, chu aia pawimawh chu harsatna awm pawh nise sut tlang theih leh a lo himloh palh a thlak thleng leh mai theih chu a ni.
- Pawimawh ber chu beidawn loh a ni. Vawikhat hlawhchham a beidawng mai lovin hlawhtlin hma a beih chu thil pawimawh ber a ni.
- Tum fel leh tha thlan chhuah bakah harsatna fel taka chinfel dan ngaihtuah thiam chu thil pawimawh tak a ni.

## Activity 1: How do i set my goal? (Heta No 1 hi Practical leh tih buaithlak anih avangin ka kal kan a, No 2 ah ka luh san nghal)

No 2. Nula te chu Tum (Goal) pahnih tal nei turin ti la, chung zinga pawimawh zualah hengte hi hmang ang che:

- Health Goals.
- Emotional Goals.
- Relationship Goals.
- Education Goals.

Health	Gutka ka ei thin hi ni khat/ni hniah/ kar khat chhung ka bansom ang a, thlai hring hniah ka ei tam ang.
Relationship	Ka thianpa buaina a min hnuk lut tu chu tun kar hi chuan nitina hmu lovin nikhat chauh ka hmu ang, kan inkungkaihna tih tawp ka duh avangin.
Emotional	Ka unaupa in min tihbua leh hunah pawh thinur lo turin ka insom tlat ang, a nihloh pawhin ka thunun theihna ka hmang mai ang.
Education	Ka homework hi naktuka tih tum lovin zaninah ka zo tur a ni.

No 3 ka pah a, Question for Discussion ah ka lut,

(Activity 2: A ‘Mantra’ (According to ones belief) for Trying aṭanga Question and Discussion thleng pah a ni. A Pawimawh lo)

### Question for Discussion

Adolescent hmeichhia te chu kan tarlan aṭang te hian engnge an zir chhuah zawt la, tum (Goal) neih pawimawhna te sawipui ang che.

### (Linking Learning with Life hi ka kal kan, a Pawimawh lo.)

### Activity 2: A "Mantra" ( According to one's belief) for trying.

#### Instruction for Instructors

1. Adolescent hmeichhia te chu ti ti puin an theihtawp an chhuah chung pawhin an nunah harsatna tam tak anla tawk dawn tih sawipui la, engtin nge an ngaihtuah na chu kalpui zel an tum zawt la, hmeichhia te chu tha taka an nunkhua an hman theih nan a tha zawnga ke pen tura rilru put a pawimawh zia hrilh ang che.
2. **Alternate Activity:** Facilitator chuan hmeichhia te fuih nan chuan mi hmingthang beidawng mai mai ngailo te chanchin hrilh se, entirna pakhat atan chuan India leh South Africa a Ukip hna thawh tum, mahse hlawnchham ta leh British te kut aṭanga India zalenna sual chhauktu anih chhoh dan te leh Helen Keller chanchin te sawipui tur a ni.

Positive Thought → Positive Feeling → Positive Action (NO 3 HI A HINDU THIL DEUHA KA PAIH)

## COMMUNICATION (INBIAK PAWH DAN PHUNG)

### Session 1: We Speak with our Bodies.

#### Salient Points

#### Activity 1: Act to Meet

- Inbiak pawhna (Communication) hi tawngkam leh tawngkam lo a ni thin.
- Tawngkam lova inbiakna chu zaizir, taksa chet dan, awmdan leh hmel put dan bakah mitmeng hmanga thu inhrilhna ang te hi an ni.
- Tawngkam lova inbiaknaah hian thuam inbel, sam put dan leh chhinchhiahna te pawhin awmzia a nei thei bawk a ni.
- Tawngkam lova inbiakna hi ‘Silent Communication’ tih a ni bawk a, nitina indawrna leh inkawmna a pawimawh tak a ni.
- Tawngkam lova inbiakna hi tawngkam ang thova pawimawh ani a, mahse tawngkama inbiakna leh tawngkam lova inbiakna hman pawlh hian indawrna a tibuai thei a, hmeichhe tam tak chuan an thusawi anglo takin tawngkam nilo chetzia in thildang an sawi thin si avangin a lo ngaihthlatu leh lo dawngsawngtu chuan thu dik tak dawnsawn a harsat phah a,a lo ngaihthlatu chuan hlawk nana a tel theih chang te pawh a awm ve bawk.

#### Activity 2: Choosing Whom to talk to (Kan biak tur thlan thiam a ngai)

- Dan tlangpuiin kan mi rin leh kan ngaisan te kan be deuh ber thin.kan thusawi ngun taka ngaihthla a,ngaihdan sawilo a beng dawh thin te chu kan ngaina in an bula thusawi nuam kan ti a, kan ngaihdan leh thusawi ngaihthlatu te, min fuih tu te, tha taka min thlawp tu te bula thusawi chu nuam kan ti thin.
- Mi kan thusawi ngaihthla lo a, min en duhlo leh nghah ngai, kan awm lai pawha thil dang tih daih ching leh kan thusawi pawchhah ching leh thurawn tawngkam thlum lo tak taka min pe thin te chu kan ngaina ngailo.

**(Activity 1: Act to Meet atanga Question and Discussion thleng hi kal kan a ni)**

## Activity 2: Choosing whom to talk to (Biak tur tunge?)

### *Instruction for Instructors*

1. Adolescent hmeichhia te nen chuan communication tha awm tura pawimawh sawi ho ula,inbiak pawhna that hunlai chu eng hun nge tih zawt bawk la,inbiak pawhna communication a that chhan zawtin a hma a inbiakna leh indawrna atana a that chhan nia i hriat list siam ang che.
2. An list chu hetiang deuh hi a ni maithei.
  - i. Thusawi ngun taka in ngaihthlak sak tur.
  - ii. Thusawi laia in fuih tur.
  - iii. Zawhna leh chhanna awmze nei siam tur.
  - iv. Taksa chetdan hman tel a pawimawh.
  - v. Feedback sawi dawn pawhin hawihhawm leh fel taka sawi tur.

Hmeichhia te chu pawl 3 emaw pawl 4 ah emaw then hrangin pawl tin chu an harsatna neih theih te zawtin an harsatna chingfel tura an pan tur awm ang te sawipui la.An thusawi chu midang hnena an sawi chhawn kher a ngailo tih hrilh la, sawiho tur an ngaihtuah chhuak theilo anih chuan an vaia an harsatna tawn fo thin engemaw an ngaihtuah zui atan hrilh la, chumi hnuah a တုလ် dan anga an pan tur Nu leh pa, Thian, zirtirtu, NGO Worker emaw AWW.ANM, ASHA emaw hming ziahna i pe leh dawn a nia.

Chumi hnuah chu group chuan engvanga ‘CHUMI, ‘ ‘KHAMI’’chu pan tur nge an nih an sawiho leh tur a ni.Hmeichhe ho hnenah chuan chung mite an biak dan leh an thu an dawsawn dan ngun taka ngaihtuah turin hrilh ang che.Ngun taka thu dawsawn an thiam em? tih an mahni chu zawt la, an mi biak te an dawr hnuah eng angin nge an awm zawt bawk ang che.

(Hemi dawt paragraph hi chu Play ang chi anih avangin ka kal kan)

Ngun taka ngaihthla thin te thusawi chu hetiang hi a ni fo thin.

- Ka thusawi ngun takin a ngaihthla
- Min zahderna a lantir.
- Ka ngaihtuahna chhungril ber pawh min hriatpuuin ka hria.

Ngaihthla ngun ve duhlote thusawi chu hetiang hi a ni duh hle.

- Ka harsatna nen ka pan a, mahse ka thusawi an ngaithla lo.
- Mi pawh a en lo.
- Min nghah tir reng.
- Thildang min tihsan daih.
- Thusawi laiin min tibuai.

### **Question for Discussion**

- Mi thenkhat biak an nawm viau laia thenkhat biak a nawm loh chhan eng nge ni ang?  
Example siam rawh.
- Mi i va rawn khan thurawn dik a pe ziah chein i ring em?

## Session 2: Effective Communication (In dawr dan phung)

### Objectives

- Heta tang hian Adolescent hmeichhia te chuan mi chi hrang hrang te hian thuneihna in anglo tak tak an neih avangin an indawr dan a nghawng thei tih an hriat phah dawn a ni.
- Adolescent hmeichhia te chuan an awmdan a ‘kawlhrawn’ dan leh ‘inkiltawih’ dan chuan an dinhmun thui tak a nghawng thei tih an hre dawn bawk a ni.
- Adolescent hmeichhia te chuan mi hnem theihna ‘ assertive skill’ chuan an mahni dinhmun derthawng thei chu nasa takin a chawi kang dawn tih an hre chhuak ang a,mi laka in kiltawih leh kawlhrawng taka thil sawi silovin hemi hmang hian fiahfel leh chiang takin thu an sawi thei dawn tih an hriat phah dawn a ni.

### Salient Points

#### Activity 1: Our Behaviour-Passive, Aggressive or Assertive. (Kan nungchang, in kiltawih, kawlhrawng, rin ngam)

- Thiltihtheihna leh dinhmun hian mi kan dawr dan thui tak a nghawng thei. Chuvangin mi kan biak dan chu passive, Aggressive emaw Assertive emaw a ni thei.
- Passive Communication ah chuan midang pawisawi hlau taka thusawi kan nih thin avangin midang thu a lal zawk fo a, an dinhmun a san zawk phah thei bawk.
- Passive Communication a thusawi lain a sawitu chu a nui ker kerin, a che sek thei a, hre lo anga awm chang neiin a tawng a zawiin a ban thei hle bawk.
- Aggressive Behaviour kan tih hi chu Passive letting thawk a ni a,hetianga thusawi thin te chuan midang te rilru leh ngaihdan pawh ngaihtuah lovin an duhdan an sawi tlang mai thin a ni.
- Passive Behaviour ah hian inbiak laia au chhuah, chal chuar, mi rel leh tharum hmanga midang rikrap mai te pawh a tel a ni.
- Assertive Communication hmangtu te chu passive leh Aggressive inkarah awmin an mamawh leh sawi duh chu a tha zawngin midang mamawh leh an ngaih pawimawh hnawl sak silovin a sawi chhuak thin a ni.
- Assertive Communication hmang thin tu chu hetianga a tawng lai chuan tawngkam chiang leh fiah fel takin a tawng a, mawilo ni silo mahni inring tawk taka thusawiin midang te thusawi a ngaihthla a, an zawnha pawh zah der leh chiang takin a chhang thin a ni.

## **Activity 2: I and You: Using “I feel” Statements**

- Hmeichhia te chuan kan tarlan tawh ang khan thu an sawia in kil tawih " Passive' tak veka an sawi chhuah chuan an mamawh leh an duh tam tak chu an hlohin hriatpui lohin a awm thei tih an hre tur a ni.
- A lehlamah chuan kan tarlan tawh anga Agresive' taka thu kan sawi chuan midang te nena inzahna leh indawrna tha a awm theilovin in kungkaihna tha kan nei thei dawnlo a ni.
- Hmeichhia te chuan Assertive thiamna hmangin " I feel" ti tawngkam hmangin statement siam chhin se, Assertive Statement ah hian bung thum a awm a, chungte chu:-
  - Ka ngaihdan chuan.... (Nang tih tawngkam a hmang tur a nilo)
  - Chumi hun leh a chhan...
  - Ka duh dan chuan... (Nangin ti la? emaw, i ti tur ani, tih emaw tawngam nilovin)

## **Activity 3: Saying “No” and Meaning it (Including saying “No” to Persuasion)**

- Hnam nunphung aṭang chuan hmeichhia te hi aia upa te zah thiam tur leh an biak danah pawh hawihhawm tura ngaih an ni a, hmeichhia te chu aia upa te an dawrna kawnga "Assertive' lova 'Passive' tura ngaih an ni a, heng thil pahnih avang pawh hian hmeichhia te chuan an mahni tana pawi theiah pawh "ka duhlo" an tih thiam loh chuan an tan a pawi thei a ni.
- Thil ru tura insawmna, exam a entawn tura in thlem, ruihhlo ti tura sawmna leh leng chhuak tura sawmna ah chuan hmeichhia te chuan kan tarlan tawh ang khan" Assertive' takin an duhlona an sawi chhuah a dik ber a ni.
- Hei bakah hian a tul chuan hun pawh khawtlai dan an hriat a ngai ve bawk a, ka lo ngaiantuah anga, nakinah ka hrilh ang che, tih tawngkam an hman a ngaih hun te pawh a awm a ni.
- Dinhmun ṭhenkhatah chuan rawtna siam vein an thiante rawt ang nilovin kalna tur leh tih tur te pawh an rawt belh thei bawk.
- Hmeichhe tam tak chuan hemi kawnga harsatna an tawh chuan aia upa an mi rin zawng an rawn tur a ni.

## **Activity 1: Our Behaviour- Passive, Agresive or Assertive (Kan nungchang, inkiltawih, kawlhrayng, rin ngam)**

### ***Instruction for Instructors***

1. Adolescent hmeichhia te chu kan rawn tarlan tak nungchang zir dan i hrilh ang a, hmeichhe tam zawk chuan 'Assertive behaviour' chu an hriat loh vang leh an tih ngailoh anih avangin "Passive behaviour" chu an nunphung ber ani maithei a, 'Aggressive' awmzia zawt la, hemi hnuah hian 'Assertive' behaviour' nih phung i zir pui leh dawn a ni.

2. Faciliator chuan "Movies kan en thei ang em?" tia zawhna a siam hnuah 'Passive' awin "Engah nge ka chhuah i phal loh? " a ti leh ang a, he thu hi zawite a sawiin a sawi lai hian a ke lam bihin a ke chuan lei a thai kual tur a ni.Hmeichhia te chu engnge an hmuh zawtin eng nungchang ber nge chhinchhiah turin hrilh la.Chumi hnuah chuan engemaw an tih duhloh tih ngai si an hmachhawn a an awmdan tur zaws la, (hetah hian an mi dawr tur chu an hmachhawn tur a nilo)

An ngaidan list chu hetiang deuh hi a ni maithei.

- Tawng zawi.
- Zawite a nui kar kar.
- Trawng ban.
- Hmai hup.
- A ruka thinrim.
- Midang be duhlo.
- Thusawi hrelo der.
- Tih tur theihngihilh.
- Damloh phah.

Hmeichhia te hnenah chuan hetiang awmdan hi passive Behaviour anih thu hrilh la,hetianga an awm chuan mahni in thu tlukna an siam theilo a, midang siam sak an nghak thin tih hrilh ang ceh.

3. Hemi hnuah hian facilitaor chuan a hma ang bawk khan "Movies kan en thei ang em?" tia zawhna a siam hnuah "Engah nge ka chhuah i phal loh? " Aggressive' takin a ti leh ang a,hmeichhia te chu an thil hmuh dan chhinchhiah tir leh la,hemi hnuah hian engemaw an tih duhloh tih ngai si an hmachhawn a an awmdan tur zaws leh ang che.

Hmeichhe ho list siam chu hetiang hi a ni maithei:

- An au vak.
- Chal chuar.
- Midang ngei tura tawng leh rel.
- An hnunqlma mi chanchin sawi.
- Kut lek chhuak a, kut zungchal hmuh.
- Chupa chu sawisel a-engmah a hrethiam lo, rem min tihsak ngailo tia sawisel.
- Ka tih leh hunah i hre khawp ang tia inhrosak.
- Tharum thawh leh chezia lantir.

Hmeichhia te hnenah chuan hengte hi "Aggressive behaviour"ani tih hrilh la, hetiang nungchang nei te chuan midang te an dawnlovin an rilru put dan tur an chhutsak lo tih hrilh la,chu chu Aggressive Behaviour nei ten an ngaih pawimawh loh thin vang a ni tih hrilh bawk ang che.

4. Adolescent hmeichhia ‘Agressive behaviour’ nei te chu pindan kil khata ding tura hrilhin ‘Passive Behaviour’ neite chu kil lehlma ding turin hrilh bawk a, chung nungchang pahnih inpawlneite chu pindan laiah ding turin hrilh leh ang che.
5. Hmeichhe group hrang hrang te chu hetiang nungchang a lo awm chhan zawt la, engtin nge an duh leh ngaimawh an sawi chhuah ang tiin an duh dan zawt la, an sawi duh chu tawngkam mai nilovin an taksa chezia pawha tilang turin hrilh ang che.

### ASSERTIVE BEHAVIOUR

- Nghet takin an ding.
- Aw fiah takin an chhuah thin.
- Inring tak mahse mawilo ni silovin an tawng chhuak thin.
- Ngil takin hmalam an en thin.
- An taksa pawh a tawk chauhin an ti che thin.
- Midang thusawi an ngaihthla.
- Zawhna fel leh fiah takin an chhang.
- An thusawi chu “Ka” tiin an tan thin.

Hmeichhe group te hnenah chuan chu chu ‘Passive’ leh ‘Agressive behaviour’ nilovin ‘Assertive behaviour’ anih dan hrilhfiah ang che.

(Question for Discussion aṭanga Linking Learning with Life tih thleng hi a hma ami nen a in ang deuh vek a kalphung dang mai anih avangin ka kal kan.)

### **Activity 3: Saying ‘No’ and Meaning it (Including saying no to Persuasion)**

#### ***Instruction for Instructors***

1. Adolescent hmeichhia te hnenah chuan dinhmun hlauhawma an dinlaia hnial theih a pawimawh zia hrilh ang che. Dinhmun hlauhawm te chu engnge an nih sawipui la. Hmeichhia te hnenah chuan dinhmun hlauhawm a an ngaih te list chu dilin “ka duhlo” tih a pawimawh zia sawipui ang che.

List chu hetiang hi a ni maithei;

- Thil ruk.
- Sex hnial.
- Exam a enruk.
- Ruihhlo lakah.
- Mi hriat ngailoh leh mi ngainat loh nena len chhuah.
- Thil ruk sa kawl.
- Inneihna chungchangah.

2. Adolescent hmeichhia te chu hetiang laka an thian ten thlemlna an lo hnial dan zawt la, “Ka duhlo” an ti em? an ti anih chuan engtin nge an hnial dan zawt ang che.
3. Hetiang dinhmunah hi chuan Puitling leh ti tak taka “Ka duhlo” tih a ngai a, a ṭul chuan chulai hmun chu chhuahsan nghal mai tur tih hrilh ang che.
4. “Ka duhlo” tih tawngkam mai bakah taksa chetzia in lantir tur a ni a, heihi hmeichhia te hnenah hian uluk taka zirtir tur a ni.

5. Hemi hnu hian hmeichhia te chu a mal mal ko chhuakin “Ka duhlo” an tih dan leh an taksa chezia a an lantir dan entir ang che.

**Question for Discussion:**

Hmeichhia te chu “Ka duhlo” tih hrehawm an ti em zawa rawh.

- Harsa an ti em? engvanga harsa ti nge an nih?
- An mahni emaw an mi hriat tuin emawin “ka duhlo” an ti tawh ngai em?
- “Ka duhlo” an tih chu engtia chhan let nge an nih thin?
- An hlawkpui em? engvanga hlawkpui nge, hlawkpui lo nge an nih?

Hmeichhia te hnenah chuan “Ka duhlo” tih hi dinhmun a zir chauh a hman tur anih dan hrilh bawk ang che.

6. Adolescent hmeichhia te hnenah chuan an duhloh chung thil tih luih tir an tawk tawh em tih zawa la. Hetianga ti luitu hi an thian leh mipa leh hmeichhe upa zawk emaw puitling emaw an ni maithei a, hemi hi an tawk anih chuan sawipui la, engtin nge an chhan dan zawa bawk ang che.
7. Hmeichhia te chu an harsatna hrang hrang tawha chhan dan in zir tawh kha sawi pui la, a ṭul chuan inthiar fihlim nghal a pawimawh dan sawipui ang che.

(Hemi hnuaia Plus atanga Linking Learning with Life thleng hian a hma a miah a chian vek tawh avangin ka siam lo)

## STRESS MANAGEMENT (RILRU TAWT/HAH LEH A THUNUN DAN)

### Session 1: Stress and Mental Health (Rilru Hahna leh Ngaihtuahna Hrisel)

#### Objective

- Adolescent hmeichhia chuan ‘Enghelhna’ Stress a lo awm chhan an hriat phah thei dawn a ni.
- Adolescent hmeichhia chuan rilru lama hlimna a neih theih nan ‘stress’ laka fihlim dan a hriat phah thei dawn a ni.

#### Salient Points

##### Activity 1: Aggression Volcano (Thintawtna puak keh)

- Stress kan tih hi ngaihtuahna leh taksa hah lutuk avanga thleng thei a ni a, rilru tawtna “Tension” hi englai pawha rawn chhuak mai thei reng a ni a, hei hian rilru pikna leh enghelh lian tak rawn siamin chu chuan in nghanngona leh mihring te inkarah inrem lohna a ti chhuak thei a, “stress” kan tih hian enghelh tihreh duh avanga puak chhuah chiam maina leh zu leh ruihhlo a tluk luhna a thlen thei bawk ani.
- Stress chu thunun anih loh chuan thinurna leh ‘depression’ a thlen thei a, rilru buaina thlengin a awm thei a ni. Entir na tha tak chu bel chhin phui taka tui chhuan ang a ni a, tui a so khan tuihu nasa tak chhuakin tui chu a rawn baw chhuak ta thin a ni.
- Adolescent tam tak chuan an nunna ‘stress’ thlen thei thil tam tak an tawk thin a, hmeichhia te chuan an nuna ‘stress’ thlen thei leh taksa leh nungchang thleng a nghawng thei te an hriat a pawimawh hle a ni.
- Stress kan tih awm chhan hi pawnlam atanga rawn intan a ni deuh ber thin a, mahse kan thunun theih a ni fo thin. Thil rawn thleng reng reng chu kan thunun theih vek an ni hauhlo a, mahse a lo dawnsawn dan erawh chu keimahniah thui tak a inghat a, thil ngun taka ngaihtuah thiamna, mahni in hriatchianna, a hlawk zawng leh fiamthu ang deuh te a ngaihtgfua hman thiam, harsatna chinfel dan thiamna leh keimahni thiamna chi hrang hrang te chu stress laka kan invenna anih theih rualin stress hnawh kianna hmanraw pawimawh tak a ni thei bawk ani.

##### Activity 2: Role Play

- Stress kan tihin min tlakbuak lo beih dan pahnih awmin pakhat chu a harsat dan lo beih let tawp leh chu ‘stress’ lo thlentu tlansan tawp mai te chu an ni a, “Stress” a lo thlen dawn khan tlanchhiat emaw a harsatna rawn thlentu beih emaw chu kawng pahnih a ni a, mahse, heng thil pahnih te hian harsatna atangin min chhawk lo fo a, rilru atangin kan harsatna tawh kha a nawt reh thei chuanglo a ni.
- Adolescent te hian dinhmun thaw ipik ‘Stressful situation’ chi hrang hrang hmachhawn dan an hre tur a ni. Chung zingah chuan “Communication”, “Reflection” leh mahni rualpui te nena ‘Interaction’ neih, Hobby thenkhat, rimawi ngaihthlak, milem ziah leh thil tih awlsam deuh te chu an telh thei awm e. Thian leh chhungkhat te nena sawi ho pawhin tangkaina tam tak a nei thei bawk a ni.

- Facilitator chuan hetiang hian hmeichhia te chu discussion neih pui turin a sawm tur a ni.
  - Helaia kan rawn tarlan tak nena enin Stress chu engvanga rawn awm nge ni ang?
  - Stress in a tihbua chu tunge?
  - Stress hian engtin nge mihring a nghawng?
  - Stress chinfel danah engnge pawimawh ber ang?
  - Thil tih awm a ni em?
  - Stress chinfel nan hian eng thil dang nge la tih theih ang?
- Facilitator chuan hmeichhia te hnenah chuan an mahni a ‘stress’ chi hrang hrang ‘physical’ ‘emotional’ leh ‘behaviour’ zawnga a nghawng dan zaws la, engtin nge an chinfel ang zaws la, practical technique kan zir tawh aṭang khan eng ber nge tha ang sawipuiin ‘stress’ an tawh leh hunah hmang tawh turin hrilh ang che.

(Time Required leh Materials)

### **Activity 1: Agression Volcano (Thintawtna puak keh)**

1. He session ah hian ‘Stress’ chiang zawk chhuin rilru lam a nghawng dan kan en dawn a, volunteer 5 hnenah ‘stress’s in a nghawng avanga an hmel put dan tur chi hrang hrang niawm ang lantir turin ti ang che. ‘Stress’ hi thil duhawmlo engemaw tak kan tawna kan taksa in a lo chhan dan a ni ber a, hmeichhia te hnenah chuan ‘stress’ chu chhunglam leh pawn lam aṭanga rawn intan thei ani tih hrilhin nula te chu an exam dawn an zir tawk loh avangin ‘stress’ ( Internal factor) emaw a pa a ruih avang leh a bengchhen buai avangin ( External factor) ‘Stress’ a nei thei tih hrilh hria ang che.
2. Hmeichhia te hnenah chuan card pathum " Physcial", "Emotional" leh " Behavioural" tih inziahma pe la, ‘Stress’ awm theihna thil te zawsin a hnuai a zawsna te hi eng ber nge an nih zaws ang che.
  - An taksa in ‘Stress” a tawhin engtin nge an awm zaws rawh.
  - An rilru lama “Stress” an tawhin engtin nge an awm?
  - Behaviour” Nungchang nghawng zaws” a ‘Stress’ an tawhin engtin nge an awm zaws bawk rawh.

### **An chhhanna ni thei te chu hengte hi an ni:**

- i. Taksa (Physical) a nghawng dan, an thaw a rangin thawk harsa an ti a, an mu theilo a, an luakin an khur thei bawk.’
- ii. Rilru “Emotional” lama ‘stress’ an tawh chuan an rilru a nguai a, an ṭhin a chhia, an chau, an tawt up up a, an vin hle bawk.
- iii. ‘Stress’ in nungchang “ Behaviour” lama min nghawng chuan ṭhin a chhia a, thil an ei vak vak a, thenkhatin engmah an ei theilo a, an mu nghek nghek a, mahse an chau tho ṭhin a ni..

**Stress:** Mihring nuna tawt up up leh thaw ipik taka min siamtu chhunglam leh pawnlam aṭanga awm thin a ni.

**Multiple Stress:** Heihi vawilekhkata Stress rawn thlen tir tu a ruala awm thei te an ni a, (Eg: nu leh pa thihna, homework ka ti lova, midang ta ka entawn avangin man ka ni a, ka thianpa a thinur phah bawk si)

**Physical Stress:** Hriselna chianglo (Eg: lu na, khawsik etc) Stress belhchhahtu.

**Overload:** Stress inbelh khawm NASA in zia a tih danglam vek ang hi ‘Overload’ an ti a, an ‘stress’ tawh avangin hetiang tawk hi chuan thil thalo tak tak tiin ruihhlo leh zu te tiin midang an tibuai bawk thin.

**Agression Peak:** ‘Stress’ in tawk khawm sosang in a vawrtawp a thlen khan hetiang hian a hming an phuah thin a ni.

Hemi entirna chu bel chhin phui taka tui chhuan ang a ni a, tui a so hunah chuan tui hu chhuakin tui chu chhuatah a baw chhuak mai dawn a, hetiang bawk hian ‘Stress’ chu enkawl mumal anih loh chuan thinurna leh ‘Depression’ ah te a inletin rilru buainna hial pawh a thlen thei a ni.

### Question for Discussion

Heng zawhna te hi hmeichhe ho chu sawi ho turin hrilh ang che.

- Miin ‘agression’ vawrtawp a thlen hunah engtin nge an awm?
- Stress intan chho mek hi engtin nge kan hriat theih ang?
- Stress intan mek chu engtin nge kan tih hniam theih ang?

### Activity 2: Role play

#### Instruction for Instructors

1. Adolescent hmeichhia te chu ‘stress’ an tawh palh pawha an tih nep theih dan tur leh an tih tawp theih dan tur zawt la, ‘Stress’ beih dan leh a awm chhan zawt la, “Stress” beih dan chi hniih kan sawi tawh te kha a that loh dan kan sawi ho tawh avangin engtia tih nge tha ang? tih sawipui ang

A entir nan: Kawng dang la awm theite chu heng te hi an ni.

Communication, Replection,mahni rualpui te nena sawi khawm, hobby chi hrang hrang music, lem ziah leh nuam an tih zawng tih,a theih chuan an chhungte leh thiante nena an harsatna sawiho a hlaik hle tih hmeichhia te chu hrilh ang che.

2. Hmeichhia te chu pawl hran tlem te te in sem darh la, ‘stress’ an lo do dan tur lemchan nen tih chhin tir ang che.

#### (Question for Discusion hi siam ngailo ah ka ngai.)

## Session 2: Coping with Stress (Thintawt/hahna chinfel dan)

### Objectives

- Adolescent hmeichhia te chuan an thil lo tawn leh hriat tawh thin in “stress” a rawn siam chhuah te chinfel dan an sawi thiam phah dawn a ni.
- Adolescent hmeichhia chuan ‘relaxtion training’ dan hmangin ‘stress’ thlen thei ngaihtuahna chu a thunun thei dawn a ni.
- Adolescent hmeichhia chuan tunhma a midang te nena an inkawpna atanga tawn hriat duhawmlo an lo neih tawh leh rilru tibuai thenfai dan an hriat phah bawk ang.

### Salient Points

#### Activity 1: A drop in the Bucket

- Stress hi mitin nitin nunphunga tel ve a ni a,pawnlam thil atanga thleng leh kan thunun theih a ni chawk a, thil thleng chu kan thunun theih emaw theihloh emaw pawh nise min nghawng dan tur erawh chu kan thunun theih thil a ni thung.
- Hmeichhia te chuan an ngaihdan an up beh vek chuan ‘stress’ a thlen theih dan leh him tak sia hemi chinfel dan an hriat a ngai a ni.
- Stress tih reh dan hi kawng hrang hrang awmin tha tak pakhat chu ngaihtuahna sawrbingga insawizawi’ Meditation” ani a, hei hian rilru mai nilovin taksa a ti hahdam thei a ni.

#### Activity 2: Blow up the Baloon (Baloon hmanga entirna)

- Hmeichhia te nen chuan kan rilru natna tam tak kan up beh luih tlat chuan a rei hnu leh kan up sen tawhloh hnuah ‘pressure cooker’ ang maia a puah keh theih thu sawi khawmin chutiang hun a thlen chuan kan inthunun thei tawh dawnlo tih sawiho ula, mahse, kan rilru leh ngaihtuahna kan hrechiang anih chuan keimahni leh midang te tana pawi lovin kan puah keh hmain kan in paih thawl thei tih kan inhrilh tur a ni.
- Kan mi rin ber te hnena kan ngaihtuahna leh vei zawng sawi chhuah thin hi a pawimawh hle a, kan thil tawn leh mi tuemaw chunga lungawilohna leh thinurna kan neih chuan a in chhek khawm hnem lutuk hma leh thunun theihloha a puah hma a sawi chhuah dan thiam a pawimawh hle.
- Hmeichhia te chuan Ngaihtuahna fim leh hriatna chu ‘stress’ laka kan him nana kan hriathiam a pawimawh tih an hre tur a ni a, kan rilru put hmang kan hriat chian chuan a thunun pawh a awlsam zual thin a ni.

## Activity 1: A drop in the Bucket

### Meditation exercise (Rilru/ngaihtuahna hmanga insawizawina)

Adolescent hmeichhia chu hahdam taka thu tur leh a mit chhing turin hrilh la, thuk taka thaw lak nan leh insawizawi nan Yoga insawizawina engemaw hmang turin hrilh la, hetiang hian tih tur a ni:

Thuk takin thawk la ang che. I thaw in i taksa a chhuahsan dan te pawh chu i hre tur a ni. I koki, ban leh ke te chu hahdam takin awm tir rawh. An vaia hahdam taka i dah avangin an chauhna chuan muangchangin an chhuahsan ang a, chhunglamah nuam tihna i nei tan ang a, chu dinhmun chu theih chen hman tum ang che. Muangchangin i rawn harh chhuak leh a,, i ban i ke leh nghawng bakah i hmai te chu a awmdan i hre leh ang a, muang changin meng chhuak la, ding chhuak turin i inpeih leh tawh a, minute hniah khatah hmeichhia chu a ding chhuak leh thei tawh mai ang.

(Hemi hnu a No 1 leh No 2 bakah The Story, Adaptation leh Question and Discussion hi ṭangkai lemlo anih avangin ka siam lo. Hemi atan hian rilru lam insawizawina a pawimawh vek avangin a tir lama Yoga insawizawina te kha an ṭangkai hle ang.)

## Activity 2: Blow up the Baloon (Baloon hmanga entirna)

1. Hmeichhia te chu ti ti puiin an rilru natna tam tak an up beh thi n dan sawipui la, hetianga rilru natna tam tak an up beh khawm hian Pressure cooker ang mai ani a, kan thunun theilo a, a puak mai ṭhin ani tih sawipui la, mahse kan rilru leh ngaihtuahna mumala kan hriat chuan keimahnii leh midang te tana pawi awm lovin kan sawi chhuak thei tih hrilh ang che.
2. Baloon lain ham la, hmeichhia te hnenah chuan a chhunga boruak chu an rilru natna ṭhenkhat ang anih thu hrilh la, hmeichhia te chuan an rilru natna sawi chhuak lova an up tlat avangin hmeichhe rilru ah chuan a lian tial tial a, chung ngaihtuahna te chu hlim lohna, thinurna leh hlauhna te pawh an ni maithei. Hmeichhia te hnenah chuan baloon chu i ham zel chuan engtin nge a awm ang tih zawt la, (A puak dawn a ni) hmeichhia chuan a lungawilohna engmah a sawi chhuah duhloh avangin baloon chu i ham zel ang a, hmeichhia in engkim a la thup tlat avangin baloon chu i ham chhunzawm ang a, hmeichhe thinur tawpah baloon chu a puak tawh mai dawn a ni.

Baloon dang ham leh la, hmeichhe ho hnenah chuan an zinga pakhat chu nimina a thian darkar tam tak a nghah thlawn avanga a thinur dan ngaihtuah tur leh baloon chhung chu a rilru anga ngai turin hrilh la, mahse, a tukah hmeichhia chuan a thian hnenah chuan a lungawilo thu a sawi chhuah tak avangin a thinurna pawh a dai ta deuh ta a, hei vang hian baloon a thinurna in up lian tur pawh chu a lian zel lova, a thiannu chu damlohma avanga damdawiina a buai thu a hriat hniah phei chuan hmeichhe thinurna chu a kian tak vek avangin ballon a boruak in up sa pawh chu a chhuak thep ta vek a ni.

3. Hmeichhia te chu maimitchhing tur leh baloon chauh chu ngaihtuah turin ti la,baloon chhungah chuan an hlim lohna, thinurna leh hlauhna te chu inthun khawm vek angin an ngaihtuah tur a ni.An ngaihtuahna avang chuan ballon chu a lian tial tial a,mahse tu emaw an harsatna sawipui tur an hmuh avangin baloon chhunga an ngaihtuahna in up chu a te hret hret a,hmeichhia te chu an rilru a nuam tial tial a,an rilru natna a kiam tial tial a,a tawpah chuan baloon chu a thep a, thliin a len bo ta a, hetiang chiah hian hmeichhia te rilru a ‘stress’ in up chu a paih thawl dan an hriat chuan tihreh theih a ni tih hrilh ang che.

## Sesion 3: Games and recreation for Better Health (Hriselna that zawk nan infiamna)

### Salient Points

- Stress avanga buaina tireh tura hmanraw pawimawh ber zingah hian infiamna, ‘recreational exercise’ leh ‘relaxation exercise’ te hi a pawimawh ber pakhat an ni.
- Infiamna leh ‘recreation’ hmanga insawizawina hi a nuamin hlimna mihring nunah a rawn thlen thin a, midang te nena kan inkungkaihna siamthain mahni inrin tawkna leh theihna NASA takin a ti sang thin bawk a ni.
- Hmeichhia te hnenah chuan Sport leh insawizawina aṭanga hlawkna tel tur chuan ‘International Standard’ danah chuan kar khat chhungin vawi 3 minute 20 vel zel thaw chham deuhthawa insawizawi tur tih hrilh la, hetiang dinhmuna ding te finfiahna chu “Talk Test” an ti a, an insawizawi laia tawng pawh tawng hlei theilova an hah chuan he standard hi an zwm tha tihna a ni a, heihi taksa ti hrisel tur leh ti ‘fit’ tur chuan a hniā ber leh tih makmawh a ni tih hrilh bawk ang che.
- Hmeichhia te chuan hriselna tha nei tur chuan hunbi neia kan insawi zawi a ngai tih an hre tur a ni a, insawizawina chu a hma aia uar sauh sauh tur a ni bawk a, a awmzia chu, kar tin a hma kar aiin an tlanchakinan tlan hla tur tihna a ni a, hetiang bawk hian insawizawina dang pawh an ti thin tur a ni.
- Infiamna leh insawizawina hian rilru lam hriselna a keng tel bawk a,, insawizawi tha chu a lung a ti chakin a hrisel a, taksa ah thau a tlem a, a tawk chauhin taksa a rit a, taksa bung hrang dang te tan pawh hriselna tha tak a ni bawk.
- Heng insawizawina te hian kan taksa bakah kan rilru lam NASA takin a ti hrisel in kan taksa a’stress’ awm tir thei tu ‘chemical’ chu a tihniā ani. Insawizawina leh infiamnain kan nunah hlimna NASA tak a thlen thei a ni tih hi discussion neih tur a ni a, hlimna mai bakah kan theihna leh mahni inrin tawkna pawh NASA takin a ti sang thei tih an hre bawk tur a ni.

### Activity 1: Seed Technique

1. Hmeichhe ho hnenah chuan ni khat, darkar 24 chhunga thil chi hrang hrang tia hun an hman dan sawipui ang che.
2. Hmeichhe ho chu thil chi hrang hrang, entir nan Cooking, insuk, tui chawi, school a hun an hman dan leh an mut dan bakah thil ei nan leh infiam nana hun an hman dan zawt ang che.
3. Hmeichhia te chu pawl 2 ah then la, pawl tin hnenah chuan darkar 24 an chhinchiahna tur seeds, beads leh hnah pe la, an thil ken 24 chu nikhata hun awm zat darkar 24 anga ngai turin hrilh bawk la.
4. Tichuan ni khat an thil tih zat leh thil pakhat tih nana an hun hman zat chhiar tir la, hemi hmang hian ni khata an hun hman dan a hriat theih dawn ani.
5. An tih zawh vek hunah thil chi hrang hrang tih nana hun an hmanral dan chartin in siam zui dawn a ni.

(Question and Discussion leh a hnunga bung dang te hi a hma lawka kan sawi tawh ang deuh kha anih avangin ka kal kan.)

## LEADERSHIP (HRUAITU NIHNA)

**Session 1: Defining leadership, appreciating self as leader  
(Hruaitu sawifiahna leh mahni in kan tlin ang em? tih infiahna)**

### Objective

- Adolescent hmeichhia te chuan hruaitu ten midang te nunphung pawh ti danglam thei khawpa hruaitu nihna neih dan an hriat phah ang.
- Adolescent hmeichhia te chuan an mahni in hruaitu ni tura chakna leh theihna an neih dan an hre thei ang.

### Salient Points

- Hruaitu "Leader" sawifiah dan awlsam ber chu hetiang hi a ni.
  - Midang te dikna, chakna leh felna a hre thin.
  - Khawtlang nunphung, in enkawl dan leh kalphung a ti danglam thin.
  - Hlawkna awm thei leh hamthatna te a enkawl thiam.
- A tawi zawngin han sawi ila, Leader chuan midang te chakna leh felna chu pawmpui thiamin hmasawn turin a kaihruai thin. Midang te nena thawh ho an thiam a, an thil dawn te a hlawk thei ang bera hman an thiam thin bawk.

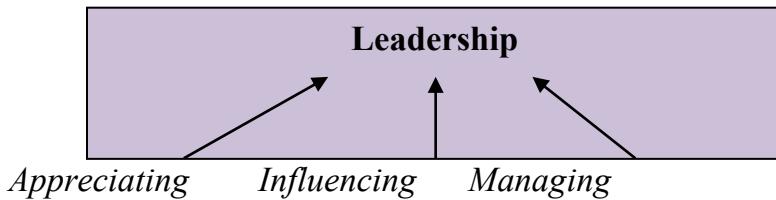

## Activity 1: Group Discussion

### Explain the Concept and type of Leadership on the Flip chart.

Hruaitu han ti hian sawi dan tam tak a awm a,a sawi dan awlsam ber chu hetiang hi a ni;

- Midang te chakna, dikna leh theihna a pawm thiam.
- Khawtlang nun, kalphung leh inenkawl dan thui tak a thunun thin.
- A thil dawn leh hlawkna hmuh te a chhawr ṭangkai thiam.

A tawi zawngin han sawi ila, Leader chuan midang te chakna leh felna pawmpui thiamin hmasawn turin a kaihruai thin.Midang te nena thawh ho a thiam a, a thil dawn te a hlawk thei ang bera hman a thiam thin bawk ani.

### Activity 2: Group Discussion and Presentation-Appreciating Self as leader

- Hmeichhia te chu a hma a hruaitu nihphung kan sawi dan chungchang kha ngaihtuah ho turin ti ang che.
- Hmeichhe tin te chu flip chart ah hruaitu ni tlaka inhriat ve na an neih ang te ziak turin hrilh ang che.
- Hmeichhia te chu midang te hma a an ngaihdan sawi chhuak ngam turin fuih rawh.
- Ngun taka in ngaihtuah ho hnuah in vaia khawtlang tan pawh chawr tlak a chher hriam theih tur hruaitu nihna "quality" a hman tlaka in inngaihna theuh sawi zui ang che u.

### Session 2: Group Behaviour, Activity Stories leh Activity 3. (page 181, 183 & 184)

Objectives: Heihi a ṭulin kei chuan ka hrelo a,mahse, a ṭul chuan siam leh theih tho a ni a, a pawimawh dan a pawimawh lutuk lo.A vai ( A Hindu riau)

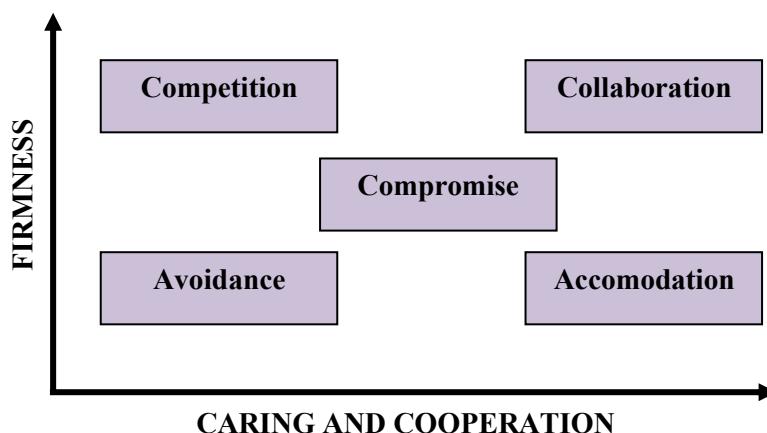

## Session 3: Handling Conflicts

### Objectives

- Adolescent hmeichhia te chuan harsatna ḫhenkhat chinfel theih/ theihloh mimal leh pawlin an buaipui te nihphung an hriatthiam phah ang.
- Adolescent hmeichhia te chuan pawl thiltih na a tel dan leh an ṭangkai ve dan tur an hriatthiam phah ang.

### Salient Points

- Mitinin harsatna an hmachhawn dan hi a in anglo vek a ni.
- Miin a harsatna hmachawn leh do let dan chu a hnuia thil 5 ang te hi an ni mai thei - Competition, (In elna), Avoidance, (Pehhelna), Collaboration, (Thurualpuina), Compromise (Inremsiamna), emaw Accommodation( Lo pawmpuina) te an ni maithei. Thil awmdan a zirin heng zinga pahnih aia tam emaw pawh an hmang maithei a,a hnuia diagram a thil pahnih(caring and Cooperation leh (b) Firmness ah hian Conflict Mode chu a hmuh theih a ni.

- Conflict resolution Mode chu hetiang hian a sawifiah theih ang.
  - **Accommodation (Lo pawmpuina)**: Heihi ‘Unassertive’ leh ‘Uncooperative mode’ a ni a, midang te duhdan pawmpui duh vangin mahni duh dan pawh an hnawl thin.
  - **Avoidance (Pehhelna)**: Hei pawh hi ‘Unassertive’ leh ‘Uncooperative mode’ tho a ni a, hetah hi chuan harsatna chu hmachhawn lovin a pehelna zawngin chu hun lo thleng tur chu a tawlh hlat san ṭhin a ni.
  - **Competition (In elna)**: Heihi ‘Aggressive’ (kawlrawng) tako hmalakna leh ‘Uncooperative’ tho a ni a,hetah hi chuan midang te hmang ṭangkaiin mahni tana tha tur leh a duh dan a bawhzui a,a thiltih theihna chu dinhmun siam nan a hmang a,an dinhmun leh nihna chu ama ta tura ngain a hauh tlat thin.

## Saving and Investment (Sum khawl leh peipun)

### *Instruction for Instructors*

Participants te hnenah chuan Saving awmzia an hria em tih zawt la, Adolescent hmeichhia ten sum khawl thatna an sawi te chu ziak chhuak la, an sum khawl a pun theih dan tur zaws ang che.

### What are savings? (Engne sum khawl chu?)

Saving kan tih chu kan tangka thawh chhuah a sum faia khawl leh Post office emaw bank emaw a khawl te sawina ani a, Goverment Bond a khawl phei hi chu a him hle a ni.

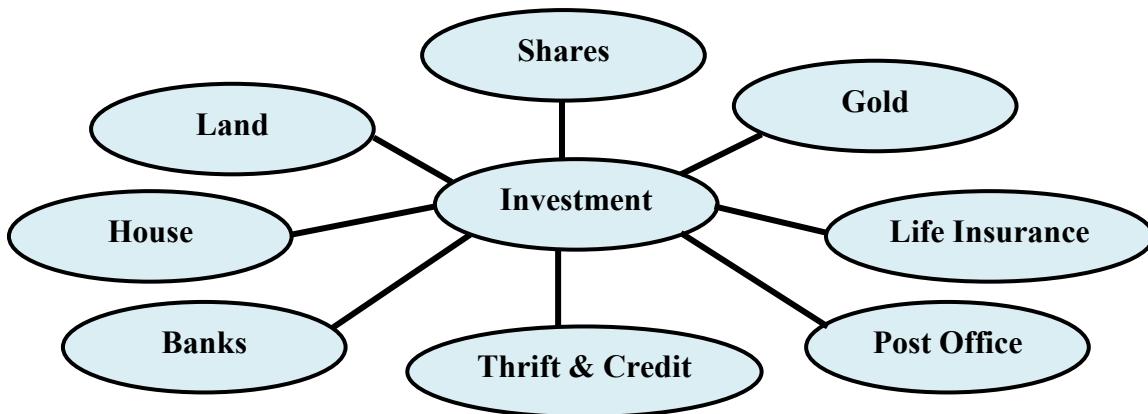

### Advantages of Savings

- Chhungkaw mamawh phuhrukna anih theih bakah fate lehkha zir zel nan a pawimawh.
- Rikrum thilah a ṭangkai hle.
- Upat hnuu inghah nan.
- Khawsak panngai taka awm theihna.

### What is Investment (Engnga Investment chu)

Investment chu bank leh corporation a kan tangka a pung awm tura kan dah ang hi a ni a, Investment ah hian tangka nilo thildang pawha tih theih a ni a, entir nan ram lei leh rangkachak aṭang te pawha tihpun theih a ni a, Investment hi security atan pawha tih theih a ni bawk.

### Method of Investments

### Time Management

Time management hi Ni kan hman dan mumal taka ruahmanna leh kalphung mai a ni. Hemi hmang hian nikhata hun awm tur ngun taka bithliahin thil ṭul leh kan ngaih pawimawh felfai takin a chhinchhiah theih thin a ni.

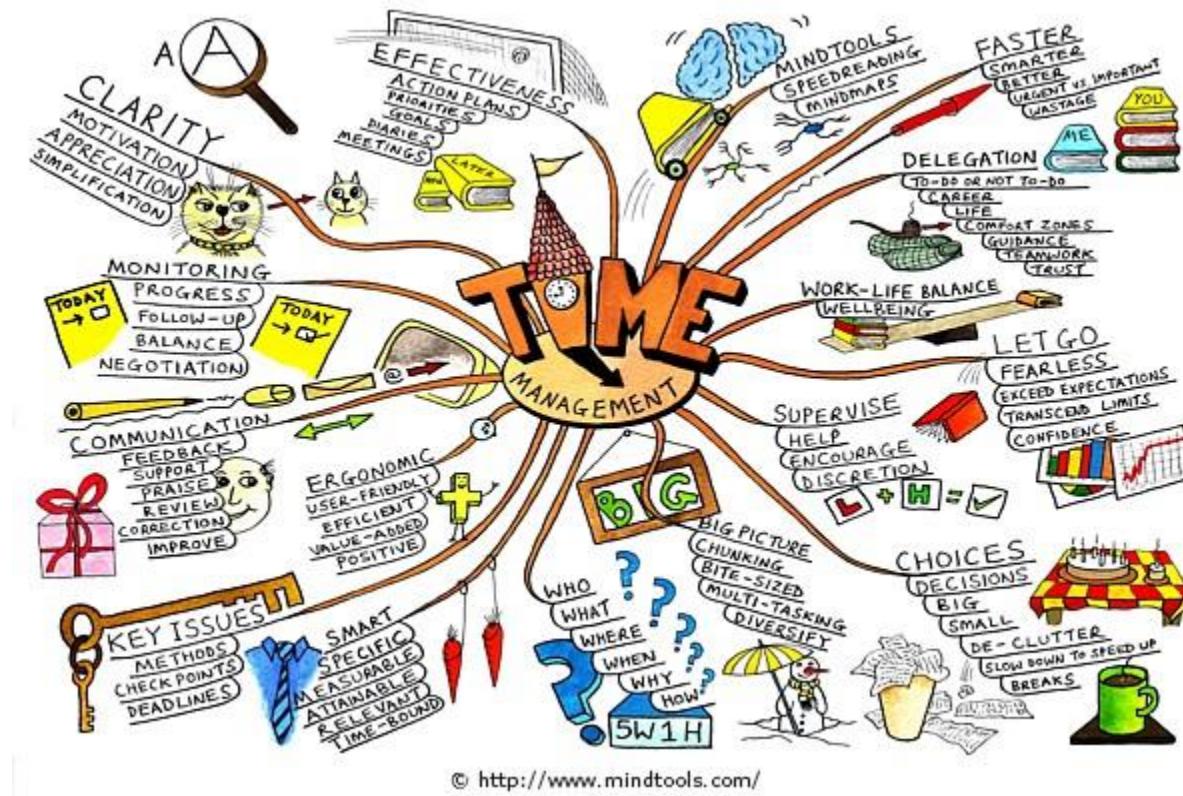

### *Steps in Time Management (Hun hman ṭangkai dan)*

- Pawimawh hmasa hriat tur.
- Ruahmanna mumal a awm tur ani.
- Ruahmanna zawm tur.
- A ṭangkai em? tih en nawn leh ang che.
- A ṭul anih chuan ti danglam mai rawh.

Factors to be included in a Time Plan (Hun hman dan chhut ruala telh tur te)

- Thil pawimawh chu ngaih pawimawh ber tur a ni.
- Hahdamna hun insiam tur.
- Insawizawina hun neih a tha.
- Inbuk tawka hna thawh dan siam rual tur.

**GUIDANCES**  
**ON**  
**ACCESSING PUBLIC SERVICES**

## GUIDANCES ON ACCESSING PUBLIC SERVICES

### **Session- Opening and Managing Bank account (Phek 201) (Objectives chauh lak a ni a, a bak chu a chhungah a awm vek)**

**Objectives:** Session tawpah chuan trainee chuan bank account hawn a pawimawh na a hre dawn a, bank account hawng tura pawimawh leh tih tur indawt dan te pawh a hriat phah dawn a ni.

#### **Salient Points**

- Bank account hi tangka venhimna tha mai nilovin awlsam te a lak chhuah theih tho a ni.
- Tumahin tunlaiin tangka fai tam tak tak an paipawn ngai tawhlo. Chuvangin kan tangka te chu bank a dah a tha ber a, heihi ‘debit cards’ leh ATM hmangin rang taka lak chhuah mai theih an ni a, pawisa tihbo hlau lovin ‘debit card’ kengin duh hun hunah a lak chhuah mai theih a ni.
- Bank Account hi chi hrang hrang a awm a, heng account chi hrang hrang hre tur hian zir ve deuh erawh chu a ngai a, chumi hnuah kan tana tha ber tur chu hman mai tur a ni.
- Bank Account hawng tur chuan bank hrang hrang te chu kan chik hmasa phawt ang a, an inzawrh dan leh an ruahmnate kan hre hmasa bawk tur a ni a, bank kan thlan lai chuan kan hnathawhna leh in lam aṭanga biak pawh mai theih an nih leh nih loh chian tel bawk tur a ni.
- Bank kan thlan fel hnuah chuan bank in an mahni dawrtute tana an tih theih te kan hre kim leh ang a, chumi hnuah chuan account kan hawn dan tur kan ngaiantuah tawh tur a ni.
- Account hawng tur chuan bank ah chuan kan hming, pian ni leh kum leh thla, chenna leh ID eng eng emaw kan neih a ngai a.
- Account neitu chuan bank dan zam an zawm a ngaiin an mawh an hre ve tur a ni. Account kan hawn khan bank nen khan thil pawimawh ber te zinga mi ‘Tangka’ kaltlanga indawrna kan siam fel tihna a ni a, chuvangin kan theih ang chen chen kan hriat chian a ngai a ni.
- Account hawn hunah chuan a hawngtu chuan awlsam tein tangka a dahin a la chhuak thei tawh ang a, ATM nen phei chuan awlsam tein tangka a lak chhuah theih a ni.
- Bank account hawn hi ngun taka ngaiantuah lawk anih chuan engmah harsa a awmlo.

## Session - Opening and Operating an Account in the Post Office

### Objectives:

Session tawpah trainee chuan Post office a account hawn pawimawhna leh tangka khawl theih dan chi hrang hrang a hriat phah dawn a ni. (Phek 203 a Chart chhunga a dang te hi a chhungah a awm vek avangin ka kal kan)

### Salient Points

Post Office hi India rama inzar pharh zau ber an ni hial awm e, Postal hnathawk te hian India ram hmun kil khawr ber berah pawh hma an la a, Bank te aia an in zar pharh zau avangin sawrkar chuan dakina tangka khawl theih dan tur ruahmnna hi a siam ta a, hei vang hian thingtlang kil khawr ber bera chengte pawhin ‘Income Account’ leh ‘Saving Account’ an neih theih phah a, kil khawr deuha cheng tan chuan bank a account neih aiin Dakina neih a tha zawk maitei.

Post Office ah hian account pahnih a awm a:

- 1) Post office Monthly Income Accounts-
- 2) Post Office saving Account

- **Post office Monthly Income Accounts**

He account ah hian miin sum tam tham tak dahin thlatin a pung an mamawh lei nan an la chhuak leh thin a ni. Hei vang hian hna atanga chawl tawh leh kut tualleichham te tan a tangkai hle. An account ah chuan tangka dah lutin a hlawkna chu ngaihtha takin an nghak mai thin a, thla tin hetiang hian an tangka pung la chhuakin an ring thei a, mi tam tak chuan an hna an bansan hnu leh an kum a tam hnuah hetiang hian tangka dahin eizawn buai ngailovin an ring tawh mai thin ani.

### How to Invest (Sum peipun dan)

Tupawh hetiang account hawng duh chuan Head Post office/ Sub Post office ah sum fai emaw, ‘demand draft’ emaw ‘cheque’ in emaw an tan mai thei a, lehkha pawimawhah engkim ziak felin an tangka dahluh tur zat nen an ziak ang a, hemi hmanga an tih fel hnuah an lo bithliah ang zat kha thla tin an la chhuak mai dawn a ni.

### Who can Invest (Tuin nge peipung ang?)

- Puitling chin.
- Puitling 2-3 pawhin a Joint in an ti thei.
- Naupang kum 10 chin.
- Naupang kum tlinglo emaw rilru kimlo emaw aiawhtu.

## Maturity and Rate of Interest

(Hengte hi tunlaiah an la hmang em tih ka hre biklo, a dik tawhlo maithei a, Post office ah chian hma chuan tarlan mai chi a ni lo ang. Zotea)

- Kum 6 awh account, kum tina za a 6 a pung anih chuan thla tin a pung lak chhuah theih a ni ang.
- Kum 1 hnuah "Premature Encashment" hmanga a pung lak theih a ni.
- Kum 1 aṭanga kum 3 tleng tangka za a 3 pung ang chi chu 'premature enclosure' hmangin tih tawp theih a ni?
- Kum 3 hnua Account chu a hun hma a khar anih chuan za a 1 Post Office in an chawi tir thei.
- Account a puitlin hunah a Invest nawn leh theih.
- Account a tangka lak chhuah theih lak lova a awm chuan kum 2 tleng 'Earning saving' a dah theih a ni.
- Account chu India ram Post office khawiah pawh sum senglo a sawn theih a ni.
- Nomination facility hman theih a ni.
- Thla tina account aṭanga pawisa pung lak theih chu chu Post office a saving ah dah leh nghal zel theih a ni bawk.
- Account a sum dah tur hun a tawp hnuah bonus angin sum dah za a 5 pek theih an ni bawk.

## Amount of Investment (Hei pawh hi a dik tawhlo maithei)

Tangka peipun tur chu Rs 1500 aia tlem a ni tur a nilo, a tam lamah chuan Single Account ah Rs 4.5 lakh tal a ni tur a ni a, Joint Account ah chuan Rs 9 lakh anih a ngai a, naupang kum tlinglo tan Rs 3 lakh tleng a ni.

## Tax Benefits (Chhiah thenkhat laka awlna)

- Account a tangka dah te hi section 80c tlawhchhanin 'rebate' lakah an him
- Tangka te chu 'Wealth tax' lakah an him.
- Tax Deduction at Sources (TDS) lakah a him bawk.

## Post Office Saving Accounts (hei pawh hi a dik tawhlo ang)

Post office a Saving account hi bank a saving account nen a in ang hle a, hun rei deuh emaw hmanhmawh deuha tangka tam tham hman leh duh that dahthat lailawkna ṭha tak a ni a, Post Office a tangka dah erawh hi chu thingtlang lama chengte tan a ṭangkai thung hle a, hemi kawngah hi chuan bank hian a tluklo ti ila a dik awm e.

## How to open Account (Account hawn dan)

Post office ah hian a tlem berah Rs 20 in account hawn theih a ni a, mi pakhat tan a tam berah cheng nuai 1 in hawn theih a ni bawk a, mi 1 aia tam Joint account hawng tur chuan cheng nuai 2 tal an dah a ngai a, hetah hian 'maturity period' a awmlo a, he account hi hawn a awlsam hle a, clerk kaltlangin awlsam tein account hi hawn mai theih a ni.

## Who can open an account (Tunge account hawng thei ang?)

Single account hi puitling emaw naupang kum 10 chin pawhin hawng theiin naupang erawh chuan ‘guardian’(Aiawhtu puitling) a neih a ngai thung a, nupang rilru chianglo account hawn sak tur pawhin ‘guardian’ a ngai a,mi pahnih pathum pawhin Joint Account an hawng thei a ni.

## Withdrawal of Money (Tangka lak chhuah dan)

Account aṭang chuan englai pawhin tanka a lak chhuah mai theih a,mahse, minimum balance ah Rs 50 tal account ah a awm a ngai a, ‘cheque’ a la chhuak thin phei chuan Rs 500 tal an account ah an neih a ngaih a ni.

## Interest paid (A punna awm thei te)

Tangka dah pun dan hi a khat tawkin Reserve bank of India in a ti danglam fo ṭhin a,a pung chu thla tina ‘balances’ leh kum khata a dinhmun a zira teh a ni ṭhin a,dan tlangpuiin za a 4 a ni tlangpui thin .

Account ah hian ‘nomination’ leh ‘tax benefits’ te pawh a tel thin bawk.

## Session- Lodging an First Information Report or FIR

(Hetah hian a hnuai chart a Objective tih chauh hi rawn sawifiah a ni a, a bak hi chu a hnuah a lang chiang leh vek tho a, tarlan a ngailo)

### Objective

He session zighthah hi chuan ‘participants’ te chuan FIR pawimawhna hriain a țul chuan FIR thehluh an thiam tawh dawn a, FIR thehluh loha pawi thei te pawh an hriat phah dawn a ni.

### Salient Points

- FIR hi thil awmdan police te hnena thehluh hmasak ber țhin anih avangin a hming pawh hetianga phuah hi a ni. FIR hi police in dan bawhchhiatna țhenkhat chanchin an dawn hnu hemi chungchang an ziahna document a ni a, police te chuan ‘Cognizable offences’ an tih ang chu thu an dawn hnuah FIR siamin Warrant pawh tel lovin pawikhawihtu chu an man thei a, court thupek kher lo pawhin an mahni duhthuin an chhui zui thei bawk a, ‘Non Cognizable Offence’ ah chuan police te chuan court thupek lo chuan anmahni duhthuin engmah an chhui zui a thiango thung a, mi an man thei heklo ani.
- FIR hi ‘Cognizable offences’ kan tih tuartu ten police hnena an hriattirna lehkha a ni bawk a, FIR tih a ni na a, tawngkam pawha police hnena thlen theih a ni a, mahse FIR hi ziak a ni tlangpui a, Telephone a in hrilh hriatna pawh FIR a ngaih theih tho a ni.
- FIR hi dan bawhchhiatna chhui tura hmalak tanna leh rorelna dik kenkawh anih theih nana rahbi pawimawh hmasa ber a ni.
